

Matthew felt excited as he waited for  
the train. He was on the edge,  
he didn't hesitate to end his  
pathetic life, because Matthew was  
a nobody. Even though he passed  
all of the exams, the clowns went over  
He doesn't have much friends. He  
had friends but he was the funding  
bag of the group. He was scared very  
badly, The Teachers don't care because  
they have their "Own work". All  
of his classmates had a girlfriend  
or a boyfriend to share their feelings  
But poor Matthew gets no girls. I  
mean no one talks to him. He got  
no life no purpose to live. Oh  
Lord! please have mercy on this soul.  
so as he waited for the train to  
saw the lights of the tracks. People  
jumped on to the tracks. Shocked by the  
we're screaming, shocked by the  
thing he is going to do. As the  
train came and ended his miserable  
life.
