Films are enjoyable.

There are lots of categories of films like, Adventurous, comedy, horror and fighting films. From those, I like to Adventurous films. That films are very exiting and enjoyable. I prefer to watch them at the cinema, because the film will be feel to us me, when only i'm in the cinema. That tooks me to another world. And sometimes it will be funny. There are some issues in films. But it's ok when there is good actors. Some films give different kinds of advices to out. And we can build up our lifes by minimizing our weeknesses. By Films we can relax our minds. I mostly like to watch films with my friends. Then it's very enjoyable than watching alone.

What makes you laugh ?

There are lots of things to laugh. If we get happy, If we saw something funny, likewise there are lots of reasons to laugh. I always laugh when I'm with my crazy friends. They are doing different funny things to laugh. It's very enjoyable. There are some people who are smiling or laughing rarely. But It's good to laugh a lot. There is a thought withing the people, when we laugh. the blood become Pure. It means reduang the diseases. I also think It's good to laugh becaus we can minimize our stress by laughing at something. But there is a effect of high laugh. It will be Noicy when it has become too much.

My perfect job

There are lots of different jobs in our country as well as in the world. But my favorite job is to be a pilot. I like to drive such a bigger vehical like a plane. Then I can travell or Arive ~~in~~ to lots of countries. And it will be amaizing job to do. It can be very difficult to do, but i like to try. I can meet lots of people from other contries to do warks co-operatively. It's a huge responsibility to me. I can earn a lot of money as the job is very difficult. It isn't just a way to earn money, It's my dream. To be qualified for this, I want ~~be~~^{to} get plane lisanace as well as other qualifications.
