Writing - Part I - Question 1

Hi,

I heard that it is going to be your birth-day soon. I think having a meal with all your friends is a great idea. And it is very nice of you to include me in your special day.

I think the new restaurant would be better as we all will be able to try new food according to our preferences.

Thank you so much for picking me up because my mom will be out of town on that day and I didn't have anyone to go with.

Also may I know if there is any colour - codes for the ~~far~~ event and the time that you'll be picking me up?

Lucy.

Writing - Part II - Question 3

As I came out of the supermarket, I saw someone that I had wanted to see for a long time. It was my childhood best friend. She had come shopping with her mother. I called her and she looked with eyes widened. She immediately remembered me and so did her mother. I went towards her and ^{she gave me a big hug.} we went to get coffee afterwards. At the end of the ~~a~~ long day playing and talking together, we shared our contacts so we can keep in touch though we wouldn't meet. That day is one of the best days of my life. And from that day on we became best friends once again.
