Question 01

Hi Mo!

I completely agree with you.
It was quite hectic these
days, so a day out would be
mind relaxing and fun.

I think we should go to the
beach, because rather than
shopping it is relaxing and
fun. We can swim in the sea
and also have a barbeque.
It would very nice. And let's
invite some other friends as
you suggested. Then it will
be much more fun.

Actually, I can't come to your

house for dinner, because I
already made plans with my
family. But thank you for the
offer. Looking forward to seeing
you.

Bye.
Harry.

Question 03

A well deserved vacation Charlie felt happy as he opened the train door. That's because he was going on a vacation after a ~~lot~~ very busy term in school. He was exhausted and wanted to have a vacation very badly.

He was going somewhere he can relax and enjoy beautiful sceneries. He was going to the countryside. He was hoping he could relax, but instead he had to do some homework which he had completely forgot. Fortunately, he was able to have a good time eventhough he had some work left to do. He went on

horse riding, hiking and cycling in the mountains. Also he enjoyed very traditional meals. He finally got a perfect vacation, tho he was busy.
