Question 01

Hello Eden!

Of course! Why wouldn't I want to go? I am very excited, because I really like biking with you and talking about stuff which I don't know. Also I think that cycling round the lake will be fun because there are some new snack bars opened recently, so we could get something to eat there.

I'm sorry, I can't make it ^{to} your house because I have a Science class afterwards. But don't worry we can

spend time together while we are cycling. ~~ea~~ Can't wait to meet you!

See you soon!

Question 03

An unforgettable birthday

By the time I arrived, there were already lots of people at the party. I was very sad because I couldn't make it on time to my best friend's birthday party. I quickly went to find her, but I couldn't find her anywhere. So I asked her mother where she had went. ~~She said that~~ Her mother said that she was upset because of my late arrival and went on a walk to the beach for a walk.

So I went to the beach and started looking for her. Finally I saw her and also

I saw that she was crying.

I went to her closer to her and explained about what had happened. At last she smiled and gave me a big hug. We spent hours talking to each other. We were very glad at the end.
