Writing Paper

Question 01

Hi Annie,

I'm so sorry that you got sick all of a sudden. I hope you will get better soon.

And, of course, I will send you the homework every day. Don't worry about it. If you need anything else, feel free to let me know. There wasn't much homework given today, only the English teacher told to write an essay about "Your most unforgettable day". That was it.

Well, I think that the only thing you should do now is

to get a proper break and be healthy and confident for the exam.

See you soon!

Holly.

Question 03

A silly mistake

Louise woke up and looked at her clock. And that was when she realised that she was late to school. She got dressed quickly and went downstairs to her mom. When she went there, nobody was presented.

So she decided to go to her parents' room. To her surprise, her parents were still in bed. Then she went to her older brother's bed, and he was sleeping too.

Louise was really confused and starving at the same time.

so she went to the kitchen. She got something to eat and sat on the couch to think things through.

Soon, Louise remembered that it was Saturday and started smiling ^{smiling} to her silly mistake. Then she went back to sleep again.
