Brain

Hey,

Yes, of course my train arrives at the morning at like 09:00 am. And thank you very much for picking me up from the station. So at first shall we go for a walk in the countryside but the sun is the main problem, but na... I don't care about the sun. And lastly we should go to the beach at the afternoon to watch the sunset.

Oh, I almost forgot I remember you asked what is the food I liked to eat. Don't worry about it tell your mom to cook anything tasty as she could.

And lastly let's fly some kites at as afternoon activities.

See you Sunday,

Uri

TV programmes

There are many kinds of TV programmes I like. But Sports programmes are the most enjoyable thing I want to watch most. Because it gives us many information sports, the methods and learning points. And also I prefer watching tv together because from that we can share our ideas with each other.
