

# A Story

Percy and Annabeth are sister and brother. Their family has a ~~old~~<sup>abandoned</sup> house and a small island. One day they went to ~~the~~ ~~island~~ house. Their mom said clean it. Annabeth saw a ~~is~~ curious and old map. She show it to Percy. So they identify that is a map for a treasure. They study ~~it~~ and thought ~~it~~ is on their family island. In another day they thought to go to their family island. ~~So~~ Then using a boat they went to the island. They haven't gone there before. ~~So~~<sup>later</sup> they saw a pirate ship on the beach. They start digging ~~on~~ the related place on sand. They do that as a teamwork. Finally they found <sup>a</sup> treasure chest. They opened it. It had been filled with gold coins and some of gems. That is very surpriseble discovery. They selibrate that with a party and watching sunset.
