Subject :- Trip to mountains

Hi Ben,

I Received your recent e-mail, and yes I would be very happy to join your trip. I asked from my mother and she also ~~th~~ said that it is alright. I ~~a~~^{am} sure we could have a great time.

I'm not sure if I could do skiing because I'm afraid of tall places as you know. but it will be okay I think it is going to be really cold there so I suggest some hot drinks and food like hot chocolate. I really prefer pizza also in such a weather.

What do I need to bring with me. I will bring my camera ~~and~~ and do you ^{so} know, my uncle gave me a card game which is ~~reall~~^{so} interesting. I will bring that too. ^{Do I} ~~If I~~ need to bring anything else?

Okay then I'll save the date. See you!

Cheers!

Andrew

Travel

In travelling, transport is an essential thing. In the modern world, we have different modes of transport. Most of the people has private vehicles for travelling, but with busy lives, public transport has also become famous. Usually I prefer to travel by car as it is comfortable and less noisy. When we travel from bus, it is very noisy in the surrounding but it is among cheap transporting methods and a crucial for day-to-day activities. I also like travelling by train because it is very comfortable in the first class and also we can enjoy the beautiful sceneries around.

People in the cities prefer travelling by train, which is a public transport, than driving their own cars. This may be because it is easy and less expensive. Even we can save time as it is not needed to be in the traffic for hours. Another reason for people prefer to travel by train is, that driving a vehicle by their own is somewhat stressful and tired. Some people travel by train for that reason. Also train is less expensive than cars as it costs a lot for fuel these days.

DATE

I love to watch the surrounding while travelling by the train and also to have some snacks. The milktea they offer in the train is also very tasty ~~which~~. It is authentic and fresh. I definitely try it when I travel by train.

The nicest way or the form of transport may vary from person to person. Nevertheless, traveling by any vehicle is interesting.
