Pets

- usually people used to keep dogs, cats Parrots as their pets
- When we have pets we can relax our mind, we can play with them. And also some kind pets help us to protect our properties. Such as dogs. And we can have their love and affection.
- There are many bad effects ~~to~~ when we are having a pet. Transmitting diseases such as rabies, we should spend more money for their food and other facilities. And sometimes ~~there~~ they are making the environment dirty. According to the above facts pets are very useful. but we should look after them carefully.
