Thanks for inviting me to your birthday party and I can't wait until that. A birthday party with all our friends sounds like an awesome idea.

burgers sounds amazing! I think it will be a great place to enjoy as lots of us like fast foods and cool drinks.

Thanks for offering to pick me up. I'm really glad if you can pick me at my home as my parents will be at work then and there are no buses to come to town from my home.

Just let me know when we are meeting and if I need to bring anything.

Best wishes,
Sally.

Part 2

The best surprise

As I came out of the supermarket, I saw someone that I had wanted to see for a long time. It was my best friend Clara, who went abroad five years ago. I was really surprised to see her standing there.

I dropped all the shopping bags and ran straight to her. I gave her a big hug. We both were smiling and laughing.

She told me that she had a holiday and so she's visiting here for 3 weeks. We decided to have ice cream and talked a lot about the past things happened.

It was an unexpected meeting that I ever had and I never imagined that I will be able to see her again - it felt like a dream come true.
