Question 1

Hi John,

How are you? Yeah, me too. It will be great. I think then Paul should be lucky too. Then the weather will be also sunny.

I think he loves to pop music, so we can play a DVD or sing with a music. He will like it. I think the barbecue will be great with some soda or with some soft drink.

I was going to ask the same question too. I think he's favourite colour is blue. ~~So~~ My mom said that you should give a gift that will never forget you. So we ~~dicied~~ decided to give him a surprise. Like giving tickets to go ^{watch} to his favourite band show. I think it will be the best gift.

See you soon.

But then my ~~my~~ friend's mom called her to come back. Then she went to her home. I ate whole dishes alone and it was very tasty. Suddenly I had a phone call too. Then I realised it was also from my mom. I answered the call and she said that they are in the shopping mall and they will come to ~~to~~ pick me up. Then I went to the cashier and going to pay the bill. Suddenly I realised ~~my~~ my purse is missing. I called to my friend and she said it isn't with her. I was scared and ~~I~~ My eyes ~~was~~ filled with tears. Then miraculously my mom and dad came they paid the bill and took me home. Then again I checked my purse, it was
