Part 1

Hi,

How are you? I hope you doing well. Yes

Great! he tell me about his birthday. I

think that the party will fun. Yes, that's a

good idea to have a party. I also think

the weather will not bad. I have some

music discs that are very good, and I

will bring some snacks too. Barbecue

sausages and chicken are great. I hope

I will bring him a smart watch for

His birthday presents. What are your presents?

See you soon,
Dulsara.

Part 2

Smartphones

A smartphone is a mobile device that combines the functionality of a traditional mobile phone with advanced computing capabilities. Smartphone is my favorite technology product. It is very easy to use. I usually use them every day one or two hours.

Smartphones are very useful to text, email and also for educational things. Some day I ~~us~~ play games on it.

Future smartphones will way more better if they are invisible and faster than PC's

~~In~~ In my opinion the smartphone is good for everything. but we have to use them correctly.
