Writing part ①

From -: Sudari Nethmini

To -: Miss Jones.

~~Subject~~ -:

Dear teacher,

Great, I can't wait to see who it is. As I think actor is good, because students mostly like actors. If he's a actor, I will ask him his signature.

I think we should have some fun games to entertain her or him.

I'm looking forward to see who he/she is.

Sudari Nethmini.

Part ②

It was my first time in the jungle and I was so excited, that I couldn't wait until the & we to the jungle. After, we went I was shocked by the beauty of the jungle. We then took few more steps ahead, the jungle become more and more beautiful, that I took photos too. After we went to the middle of the jungle we found that to ^{continue} ~~continue~~ exploring, we have to cross the lake. But there's nothing to cross from.

So we thought of making a bridge to cross. After making it we cross, and by that time it was evening so we went home. It was wonderful.
