Question 3

☒

As I came out of the supermarket, I saw someone that I had wanted to see for a long time. It was my long lost friend who had gone missing after a car accident. Then I got closer and talked to him. He didn't recognize me. Then I explained who I am and after that he told me that he lost his memory after a car accident. So I went home with him and spent a few hours explaining about him and showing photos. Then he came with me and I helped him to reunite with his old parents after years. They were so happy and thanked me.
