Writing

Part 1

Hey,

Thank you very much for inviting Jo. I'm really happy to join with you. We can have fun.

Actually it's fun to do sailing and surfing rather than just laying on a beach. We can also taste some great food from the hotel while enjoying the view.

No, but I'm free on the first week of September. If you are OK, we can go on that week.

If you can please send me the location of the beach, so I can see what that place look like.

See you soon!

Minandu.

Part 2

The friends got off the bus and ran over to join the long queue of people. So, I also got off from the bus and joined them. "I so long... I ~~could~~ think we won't be able to get a ticket for the show." One friend said. We waited and waited for a long time. Then I felt asleep. After I woke up, what I saw was unbelievable. My friends were holding a cake. It was my birthday! I became so happy and then we celebrated it in the queue while everyone was looking at us.
