Friends or family

As a student, we spend ~~our~~ ~~the~~ most of the time with our friends. We can enjoy our self with friends like doing sports together, watching movies or going on a trip. We can do whatever we want to do with them. But, what is more important. Friends or our family.

As we get older and older the friends that we currently have will be disappeared^d. Sure we can make new friends but, ~~not~~ as our family. ~~Our~~ ^{Our} mom, dad or ~~our~~ siblings they will be the same throughout our life. Sure we will loose our parents and grandparents but, they are still practically ^{our} family.

When we get ~~●~~ sick or some kind of accident, family ~~members~~ are the first people that will take care of ~~us~~ ^{us}. Family members are the real people who actually care about us. They are the one who provides love and safe at the same time.

When it comes to spending our time with friends, it's all about having

But they

~~will~~ will not be helpful always like our family. Because of that reason, I think family is more important than our friends. They are the one who ~~s~~ still keeping us safe while ~~growing~~ helping us to grow and to be ~~s s~~ better people in the future.
