As the train arrived at the station, Sue realised that her life was about to change forever.

Sue stepped off the train and looked around nervously. She moved to the city to begin her first job at a large company. It was her first time living away from home. She felt both excited and worried.

As she walked along the station, she saw a man coming forward. He introduced himself as Mr. Brown, the manager of the company. He warmly welcomed her.

On the way he told her about her responsibilities, salary and the opportunities.

That's when she realised her life was changing forever.
