

Spooky Story.

One day I was home but there was no one home. Just me then someone Just Touch me. then every thing started to move. It was charly, mammy, Zombie, dead skeleton and bloodymarry. It was Halloween and a witch came out of nowhere and took me to a witch hut and locked me in a cage so I couldn't get out. then I saw a key with can open the door. so I opened. then I saw my Brothers trap in a cage too. I got them out of the cage and we ran home but we were lost. so we were very sad and bloodymarry appear, and I stepped on a Pumpkin and every thing went through me. I was very scared and I screamed and ran and ran and a cage fall on us so we were trapped again but this time we had the key and opened it and we saw all the ghosts in the world this time we were so scared. I could I could go inside them too. because I stepped on the pumpkin. I went with my youngest brother and the others followed us and we were safe.
