David and Emma are in the basketball team but during the practice last Thursday, David (1) fell over and hurt his knee.

'The doctor says I can't play in the next three matches,' David told his sports teacher. 'Sorry!'

'No problem,' the teacher said. 'Who might play instead? Do you know anyone?'

'Frank Point is a year younger than us, but he's really tall and he's played very well in the playground this (2) match. You could ask him,' David answered.

Frank wasn't (3) sure about playing in the match.

'I'm not as good as Emma and the others,' he told the teacher, 'but I'll try.'

When the players from Bridge School (4) **arrived**, Frank felt worried, but he soon began to really enjoy the game. His team won! Frank got four goals and the (5) **score** at the end of the match was 55 to 32. 'We'd like you to play for us every week until David is better!' the teacher said. 'Woooooow! Great! Yes, if you want!' Frank said.

Part 4

- 10 questions -

Read the text. Choose the right words and write them on the lines.

Swans

Example

Swans are the largest birds in the duck

1 family. There are six different kinds of swans

which have white bodies, but in a few parts of the world there are black swans too. Swans are clever and remember people who have

2 been kind or unkind to them! A frightened

3 or really angry swan can break a man's leg

4 with its strong wings!

Swans live on rivers and lakes. But in the winter months, some might live near the sea because salt water is usually a little

5 warmer than river water. Swans don't usually fly

6 very far from the place where they build their

nests. It takes between 35 and 42 days for a baby swan, which

7 are called a 'cygnet', to break open its egg!

8 A baby swan can be grey ~~is~~ not white. Wild swans

usually live for about seven years, but some live a lot longer. A swan

9 eats underwater plants. It finds these by putting its

long neck deep into the water and its tail up into the air! Swans might

10 also eat small frogs and insects.

Now he asked: 'Designing apps or playing games?'

'Designing apps!' Katy and Michael answered.

'OK! And I'll need a photo of you. Can we come round and take one?'

'You don't have to do that!' Katy laughed. 'We'll text you one!'

Examples

Katy and Michael are very interested in making online games and apps.

The children would like to be designers in the future, like their father.

Questions

- 1 They wanted to design an app which helped children choose stories and comics to read.
- 2 They didn't want the app to be boring.
- 3 Katy and Michael wanted the app to show something funny like a strange creature that moves or a rainbow.
- 4 They decided to tell dad about their idea.
- 5 The children used designing apps to design their app.
- 6 A journalist who worked for a magazine phoned them when he heard about their app.
- 7 The children now think designing is more fun than playing computer games.
