

FLYERS ONLINE CLASS - 08.10.2025

DURATION :2 hours

TEACHING AIDS

- ◆ Games/Past paper questions

DEVELOPMENT OF THE LESSON

1. Recaps the lessons that the students have learned so far.
2. Practices past paper questions to guide students and explain the correct methods for answering exam-style questions.
3. Conducts picture description and storytelling activities using questions taken from past papers.
4. Facilitates a fun story sequencing activity to assess students' creativity.
5. Leads a listening-and-drawing game to evaluate students' listening skills.
6. Displays a story sequence and conducts individual speaking tests.
7. Carries out a short dictation consisting of about five words.
