

# FLYERS LESSON PLAN (12.01.2026)

## Get Ready for Flyers Book

1. Warm-up – Game
2. The session begins with a listening activity to engage the students.
3. The teacher displays the new unit “Eating Out” and asks the kids to share their ideas related to the unit.
4. Students are given the opportunity to share their favourite foods and explain the reasons for their choices.
5. The teacher conducts the first activity related to food items and kitchen utensils.
6. The teacher introduces adjectives using examples and allows students to reinforce their learning through games, worksheets, and textbook activities.
7. A speaking activity is conducted, giving a few students the opportunity to act out the story.
8. The teacher explains the five sense organs and their functions in a simple manner and guides students to complete related activities.
9. The teacher explains feelings and emotions and asks the students to complete activities related to the topic.

## Story-Fun Book

1. Plays the audio track, asks the kids to listen and read the story “My friend Meg”.
2. Gives the students a chance to read to check their reading level.
3. Asks comprehension questions about the story.
4. Guides the students to complete the activities related to the story.
