

FLYERS - LESSON PLAN

03/08/2026

Guides the students to complete **Listening Part 5**.

Engages the students in completing the **Reading and Writing** paper independently.

Discusses the answers with the students and provides feedback, highlighting the areas where they need more practice.

Engages the students in two additional **Writing Part 7** activities. Students observe a sequence of three pictures and write a story in the **past tense**, using appropriate vocabulary, grammar, and linking words.
