

FLYERS - LESSON PLAN 06/07/2026

Introduces the new unit, **Our Summer Holiday**, by asking students questions about where they would like to go during their summer holidays.

Asks the question, *"What do you usually take with you when you go on holiday?"* and guides students to complete **Activity Book page 92**.

Engages students in several listening activities to develop their listening skills.

Introduces the **"going to"** future form for different pronouns and explains that the second verb in the sentence remains in its base form. Students then write five sentences using **"going to"** and read them aloud.

Introduces the **Present Perfect Tense**, explains the rules, and teaches the use of **"Have you ever...?"** questions. Students complete a worksheet and the related activities in the course book.

Conducts a simple vocabulary task in which students look at pictures and write the correct word underneath each one. Displays three pictures and asks students to write a short story in the **past tense** based on the sequence of events shown.
