

KET- LESSON PLAN 17/06/2026

1. Recalls the use of **-ing forms and infinitives** after adjectives and prepositions and engages students in a fun pair-speaking activity to reinforce the concept.
2. Recalls the meanings and functions of **suggesting, accepting, and refusing**, and conducts an additional speaking activity to provide practice in using these expressions.
3. Engages students in a listening activity related to a **school concert** and facilitates a discussion of the answers.
4. Introduces ways of talking about the future using **will**, the **present continuous**, and the **present simple**. Provides examples, encourages students to generate their own examples orally, and guides them through related writing activities.
5. Recalls previously learned adjectives and introduces new adjectives. Encourages students to create sentences using the new vocabulary and guides them in completing the related activities.
6. Engages students in a creative writing activity by asking them to write a story based on a series of pictures, using the **past tense** appropriately.
