

FLYERS LESSON PLAN - 04/05/2026

- The lesson begins with a discussion of the paper completed by the students in the previous week, highlighting key points and areas for improvement.
- The teacher then reviews how each paper should be approached, covering reading and writing, as well as listening and speaking skills.
- Engages students with a spelling activity.
- Students are given the opportunity to read the story “The Old Man and the Jungle,” focusing on correct pronunciation and understanding.
- Finally, the teacher guides them in completing the comprehension questions based on the story and reviews the answers together.
