

KET - LESSON PLAN - 08/04/2026

- Discusses the homework - Past tense
- Recalls imperatives. Imperatives are used to tell someone to do something or not to do something. Guides the students to complete activities related to them.
- Introduces directions. Guides the students to look at a map and direct their partner to find a place.
- Guides the students to complete a speaking question & writing messages.
- Engages the students with a spelling activity (dictation)
