Introduction

What is *Get Ready for Flyers*?

Get Ready for Flyers is the third level of a three-level series designed to prepare children for the three Cambridge Young Learners English Tests (CYLET): Starters, Movers and Flyers.

Get Ready for Flyers is not a coursebook. It is intended to be used alongside your usual coursebook or other English work. We suggest that you set aside regular times for *Get Ready for Flyers* work, e.g. one lesson per week. Alternatively, you could use *Get Ready for Flyers* as the basis for your class's work, but it should ideally be supplemented with other material, such as songs and further stories, and perhaps some craft-based activities.

About CYLET Flyers

Cambridge Young Learners English Tests are aimed at children in the 7–12 age group. They provide a reliable indication of how well children are performing in English, in the skills of listening, speaking, reading and writing. Flyers is the second of the three tests, and is set at Level A2 on the Common European Framework of Reference (CEFR).

The Flyers test is divided into 16 parts: Listening parts 1–5, Reading and Writing parts 1–7, and Speaking parts 1–4.

Listening

25 minutes/25 items

There are four parts. Each part begins with a clear example. All the texts are heard twice.

	Main skill focus	Input	Expected response/item type	Number of items
1	Listening for lexical items and phrases	Picture, names and dialogue	Match names to people in a picture by drawing a line	5
2	Listening for information and numbers / spelling	Gapped text and dialogue	Write words or numbers	5
3	Listening for detailed information	Pictures sets and dialogue	Match pictures with information by writing letters in a box	5
4	Listening for specific information	Three-option multiple-choice pictures and dialogues	Select one of three pictures by ticking box	5
5	Listening for lexis and specific information	Picture and dialogue	Colour, draw and write	5

Reading & Writing

40 minutes/50 items

There are seven parts, each starting with a clear example.

	Main skill focus	Input	Expected response/item type	Number of items
1	Reading and understanding definitions	Lexical sets of nouns and definitions	Match words to definitions by copying the word	10
2	Reading and understanding sentences	Picture and sentences	Write <i>yes</i> or <i>no</i> next to the sentences	7
3	Reading and identifying appropriate utterances	Short dialogue with multiple responses	Select the best response by writing the appropriate letter	5
4	Reading and completing a gapped text with one word	Cloze text with missing words (nouns, adjectives or verbs) supplied	Copy the missing words correctly, then select the best title for the story from a choice of three	6

5	Reading and understanding a story and completing sentences about the story	Short text with gapped sentences	Read the story then complete the gapped sentences by writing 1, 2, 3 or 4 words into each sentence	7
6	Reading and completing a gapped text with one word	Cloze text with three-option grammatical multiple choice	Copy the missing words correctly, by selecting the best word from a choice of three	10
7	Reading a gapped text and providing single words to complete gaps	Open cloze (no missing words supplied) text	Write one word in each gap (no word supplied)	5

Speaking

7–9 minutes/4 parts

This takes the form of a one-to-one exchange. The language used by the examiner is based on and controlled by a script (there are examples of this in teaching notes for the Speaking tests). For full details of the requirements of the Speaking Test, how to prepare for it, and three practice tests, see the section beginning on page 120.

Test practice and more information

For more information on Cambridge Young Learners English Tests, see the University of Cambridge ESOL Examinations website: <http://www.cambridgeesol.org/exams/yle>.

Note that sample test papers can be downloaded from the 'Exam preparation' section of this website. We recommend that teachers familiarize their pupils with the sample tests, ideally looking at them together on an interactive whiteboard. Look at the tests briefly and frequently, rather than expecting children to absorb and remember all the information at once.

You might like to show the children the relevant part of the sample test before asking them to complete each of the test pages in the book.

Teachers should read and familiarize themselves with the *Cambridge Young Learners English Tests Handbook for Teachers*, which can be found at https://www.teachers.cambridgeesol.org/ts/digitalAssets/116613_YLE_Handbook_2010.pdf

The Handbook includes more detailed information about each part of the test, as well as recommendations for candidate preparation and grammar / vocabulary lists.

How does *Get Ready for Flyers* prepare children to sit the Flyers test?

Syllabus coverage

As children progress through the book, they will encounter and practise all the vocabulary and grammar from the Flyers syllabus. Therefore, children who have completed *Get Ready for Flyers*, and are confident with all the vocabulary and grammar within it, can be considered ready to sit the Flyers level of CYLET.

Familiarization with the Flyers test format

Each main unit of *Get Ready for Flyers* contains one, two or three practice test activities (a combination of Reading & Writing and Listening) and there is a complete Speaking practice test at the end of each Revision unit. Thus, by the end of the book, children will have practised all of the 16 parts of the Flyers test.

It is worth noting that children sometimes become anxious and stressed by the prospect of a test. Doing the *Get Ready for Flyers* test practice activities regularly in a relaxed classroom environment can do a great deal to relieve their anxiety, as they will be very familiar with the format of each part of the test by the time they sit the Flyers exam.

Lots of speaking practice

Get Ready for Flyers contains three complete Speaking Tests (on photocopiable pages in the Teacher's Book), with preparatory activities in each Revision unit. However, because the Speaking Test consists of a conversation, the best way to prepare for the test is to do lots of talking! *Get Ready for Flyers* contains a large number of pairwork speaking activities, which are integrated with the Student's Book story line in order to engage and motivate learners.

Some of these activities prepare children for Part 4 of the Speaking Test, where they need to be able to confidently answer questions about their own lives. Other activities involve describing and answering questions about pictures, which is a skill needed for Parts 2 and 3 of the Speaking Test.

Extra reading practice

In Units 1, 3, 5, 7, 9 and 11, there is a recurring Extended reading feature. This takes the format of a diary written by one of the key characters, so offers ongoing interest to children as well as providing further practice in longer reading comprehension activities.

Key features

Characters, stories and contexts

Each main unit contains a story about twins, Holly and Harry, and their family and friends. These characters also appear in other activities throughout the book. The stories each show an everyday context that children will easily identify with, and are used to present colloquial language from the Flyers syllabus in a natural way. Some units use a longer conversation activity instead of the picture-frame story, to allow coverage of more material. These can be used as extended playscripts in lessons.

Modelling of important grammar points

Important structures are highlighted on the page by two cartoon characters with speech bubbles. Children usually then use these speech bubbles as a model for a speaking activity. These characters and speech bubbles can easily be found by children as they look back through the book, and thus act as a handy reference and reminder of the structures that they have learnt and practised.

Graded syllabus

Get Ready for Flyers has a carefully graded syllabus. Each unit introduces a topic from the Flyers syllabus, and the test practice activities at the end of each unit do not go beyond the vocabulary and grammar that have been covered so far. The *Get Ready for Flyers* syllabus of course won't correspond exactly to the syllabus of your class coursebook. You are likely to find, with each unit, that children will have covered some of the language but that other language will be new. The coverage of vocabulary and grammar in your coursebook may be more in-depth. *Get Ready for Flyers* can thus be used both to reinforce known language, and to 'preview' language that is yet to be covered in the coursebook. When you start a new topic or unit in either book, make links between the two books by asking children to recall other vocabulary related to the topic.

Balance of skills practice

Get Ready for Flyers contains a variety of activities that practise the skills of listening, speaking, reading and writing. The main skills practised on each page are highlighted in the page headings. The other heading is 'Words', this signals the introduction of the new vocabulary needed for the Flyers test.

Revision and recycling

Vocabulary and grammar are revised frequently throughout the book. In addition to this, the artwork (particularly on the Words and Story pages), often provides further opportunities for revision and speaking practice. Encourage children to look for and name other items in the pictures that aren't named in the activities. You can also ask them questions about the pictures while they are working individually, e.g. *What's this?* or *What's the boy doing in this picture?*

Components

Student's Book with audio CD

This is a 120-page colour book, containing all the presentation and practice material that you will need for your designated CYLET practice lessons. The book is made up of an introductory unit, twelve main units, and three revision units. There is also a comprehensive Wordlist containing all the words from the Flyers syllabus, and a two-page Grammar reference.

The practice material in the book provides practice of all four skills: listening, speaking, reading and writing. Although each of the units follows the same basic format, the book contains a wide variety of activity types, to keep children interested and engaged. There are puzzles, labelling and sentence completion activities, lots of speaking activities – and of course Flyers test practice material.

Each unit has a story that puts some of the new language from the unit in a context that will be familiar to the children. The stories feature two children called Holly and Harry, and their friends and family, and these people also appear regularly in other activities.

The Student's Book is designed to be written in, thus providing a record of the children's progress as they work through the book. The wordlist at the back of the book has spaces where children can record a translation of each word as they learn it. They can then use the completed wordlist for reference and revision.

Audio CD

Each Student's Book is packaged with a copy of the *Get Ready for Flyers* class audio CD. This contains all the audio material that you will be using in the classroom – the listening activities and stories. Children can take the CD and book home and listen to the audio again with their parents, in order to consolidate their learning.

Oxford English Testing (OET) online practice tests

Each Student's Book user also receives a code allowing them access to the OET online practice tests. These practice tests can be used in the classroom or at home, to provide additional practice of all parts of the Flyers test. (Note that these practice tests draw on the entire Flyers syllabus; they are not graded like the test practice activities in the book.)

Teacher's Book

As well as this introduction, the Teacher's Book contains the following:

- a map of the Student's Book
- detailed teaching notes, with extra off-the-page activities such as games and warmers, and further ways of exploiting the material in the book
- photocopiable activities offering one speaking activity per unit, and extra reading and listening activities to reinforce class work
- practice Speaking tests

iTools

Get Ready for Flyers iTools is a DVD-ROM which contains digital classroom resources. All these resources can be used interactively, either on an Interactive Whiteboard (IWB) or on a projector. The in-built teaching tools allow you to zoom, highlight, cover or spotlight materials on each page, or to add notes and web links.

The iTools include:

- all pages from the Student's Book on screen
- complete audio for the course
- interactive answer keys
- additional practice for Cambridge Young Learners tests

P 139

24th May

Dear Diary,

Yesterday we went on a school trip to Harlow Castle. Harry and I had to get up very early in the morning – at half past six! I sat next to Katy on the bus journey and we looked at the view from the window. When we arrived at the castle a friendly man gave us a tour of the castle building.

Now I'm going to describe all the things I saw in the castle!

We couldn't go everywhere in the castle but these were the rooms we saw. First we went in some of the rooms downstairs. We walked into the 'Great Hall' and there on the walls we saw paintings of all the old kings and queens. There was a really long table and on it were lots of beautiful plates and silver knives and forks. The kitchen was big too, and on the shelves there were very old bowls and glass bottles from the seventeenth century! Can you believe that? Well, then we went to the living room. It was really wonderful. The Queens' gold rings and necklaces were on a table there. After that we went into the library. There we saw bookcases with lots of books on them and letters from the old kings and queens. You could read some of them and they were very interesting. Then we went upstairs. I really liked the Queen's bedroom. On a shelf near her bed were beautiful silver brushes and combs. The King's bedroom was darker and had a very large wooden desk in it. I thought it was ugly! And in the bathroom there was the biggest mirror in the world!

2 Holly is talking to her mum about what she did in the castle gardens. Listen and do the photocopiable activity. P 139

The fourth and fifth page of each unit usually offers extra vocabulary work in the Words section. It contains one or more puzzles that revise vocabulary that has been covered so far. This is cumulative revision; the vocabulary may come from an earlier unit. There can also be a pairwork speaking activity, or an extra photocopiable activity practising a different skill, linked to the Student's Book topic. In other units these pages provide additional opportunities for grammar revision, and extra skills practice in reading, listening and writing activities.

In alternate units, there is a recurring Extended reading feature, in the form of extracts from Holly's diary. This gives the children an extra fun insight into the life and thoughts of the characters, helping to bring the story to life. It is also a vehicle for extra reading and listening comprehension, and is supported by extra linked activities in the photocopiable material at the back of the Teacher's Book.

In every other unit, the practice test pages are designed to mirror the tests which require an extra page layout, thus ensuring that all parts of the Flyers Reading & Writing and Listening tests are covered evenly.

Sports day at school

Hello! I'm Holly and Harry's Mum and I had a very busy morning! It was sports day at the children's school. My other daughter, Emma, is only two so she hasn't started school yet. I decided to take her with me to see the older children doing their sports. We were leaving the house when Emma remembered her new doll. She wanted to take it with her and she was crying. I put my keys down and went into Emma's bedroom. It was really untidy! I found the doll in the end. It was under a blanket. Emma smiled happily when I gave it to her.

Then we were ready to go. I looked for my keys but I couldn't find them anywhere. Then Emma pointed at the shelf in the dining room and there they were next to the envelopes. I don't know how they got there. We left the house and walked to the school quickly. When we arrived, we saw my daughter, Holly. She didn't say 'hello' to us and she was a bit unfriendly, actually. She told me I was very late.

I missed the children's race but I did see the volleyball match. That was very funny because during the game a dog went onto the field and ran away with the ball! All the children were trying to catch the dog! The dog was very excited and thought it was a wonderful game. Round and round the children ran! The head teacher looked very unhappy about it! 'Whose dog is that?' he shouted angrily! And he didn't talk about the dog when he gave the children their prizes! But I thought it was a wonderful afternoon! Holly plays for a team called the Sharks and they won, so she was happy too.

Revision 1 39

Each Revision unit focuses on revising grammar and vocabulary from the previous four units (although they may include language from previous terms as well). They contain a variety of fun activities that will remind children of how much they have learnt. The fourth page practises skills that will prepare children for one or more parts of the Speaking Test that they will complete after the end of the Revision Unit. Before beginning the Speaking Test, look through the whole sample Speaking Test with the children, and remind them what each part of the test entails. The Best Month!

In January where do you go?

Into the garden to play in the snow.

In February when it rains

I stay inside and play my games.

In March it's windy but I don't care,

I fly my kite high up in the air.

In April what is there to see?

Lots of flowers under a tree.

In May I decide that I will play

Out in the garden every day.

In June the sunny days are here

I really like this time of year.

In July we're happy and free,

School holidays come for you and me.

In August when it's really hot

I sit on a beach and don't do a lot!

In September it's school again.

I wonder why it has to rain.

In October the trees turn gold

The year is starting to get old.

In November it's so cold.

'Put on coats and scarves!' we're told.

It's December! Christmas is here!

This is the best month of the year!

Reading and Writing (spelling practice, all parts)

Warmer

- Play a game to warm the class up and revise numbers.
- Write large numbers on the board (e.g. 237, 594, 716, 385) and ask children around the class to call out the numbers.
- You can play this as a game in two teams if you like, writing numbers on the board for children from each team in turn and awarding one point for each correct answer.

Lead-in

- Point to the picture of Harry and read out the speech bubble.
- Tell the children that they are going to think about things in the house in this lesson. Ask children around the class to say the names of rooms in the house and to suggest items that you can find in each room.

FLYERS TIP: Spelling is important in all parts of the Flyers Reading and Writing Test. Activities such as completing gapped words and writing words from jumbled letters provide useful spelling practice for learners.

1 Complete the words for the things in Holly and Harry's home.

- Ask children to look at the picture and say which rooms they can see.
- Point to a few of the labelled items and ask the children to say the words. Show the children the gapped words for each of the items and ask them to say the missing letters.
- Allow the children time to complete the activity in their books. Tell them to think carefully and make sure they spell each word correctly.
- Check answers by pointing to the pictures and asking the children to say, then spell, the words.

ANSWERS

1 fridge 2 cooker 3 bin 4 rucksack 5 shelf
6 toilet 7 telephone 8 violin 9 drums

Optional activity

- Slowly write the letters for one of the words in activity 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word. When a child guesses the word correctly, they should spell the rest of the word for you to complete it on the board. You can play this as a game in two teams if you like.

2 What are these things? Order the letters to find the words.

- Point to the picture in item 1 and ask the children to say the word (*soap*).
- Show the children the jumbled letters around the picture and ask them to call out the letters in the correct order to spell the word *soap*. Show the class the example.
- Move around the class as the children complete the activity. Help if necessary.
- Invite children around the class to read out and spell the word for each item.

ANSWERS

1 soap 2 brush 3 envelope 4 comb 5 stamps
6 letter 7 postcard 8 key 9 necklace

Optional activity

- Write more jumbled words on the board, one at a time. Encourage children to try to guess the word.
- Tell the children that they can ask you questions to get clues about the word, e.g. *Is it a musical instrument? Is it something you take to school? Is it something in the kitchen?*
- When a child guesses the word, ask them to come to the board and write the letters in the correct order.
- You can play this as a game in two teams if you like, writing jumbled words for each team in turn and awarding one point for each correctly guessed (and correctly spelt) word.

Warmer

- Play a game of *Hangman* to warm the class up and revise the words from the previous lesson.
- Divide the class into two teams. Draw a line for each letter in your chosen word on the board.
- Invite children from each team in turn to guess one of the missing letters. If the team guesses a missing letter, write the letter on the correct line(s) on the board. If the team says a letter which is not in the word, draw the first part of a simple picture (a flower with five petals, a stem and two leaves / a house with three windows, a door and a chimney).
- If a team guesses the word before you have completed the picture, award them one point. If not, continue the game with another word.

Lead-in

- Write the headings *Home* and *School* on the board. Divide the class into two teams. Invite children from each team in turn to come up and write a word under each heading, then make a sentence with the word. Award one point for each correctly spelt word, and each correct sentence.

FLYERS TIP: In the Flyers Listening Test, learners will often hear one or two wrong answers (locations, activities, etc) as well as the correct answer. Teach learners to listen to the whole exchange before choosing or writing their answers.

1 Holly and Harry are getting ready for school. Where are their things? Listen and write the things under each place. 4

- Ask children to look at the pictures and say what place each picture shows. Point to each picture and ask *Where's this?* Encourage children to use prepositions of place to describe the locations.

- Play the first exchange (four lines) on the recording, then pause and ask the children to say what Holly is looking for (*her brush*). Play the exchange again and ask the children where Holly's brush is (*on her bed, under the blanket*).
- Play the rest of the recording for the children to listen and choose the correct places, then write the names of the items under the correct pictures.
- Check answers by asking children to make negative and positive sentences about the items, e.g. *Holly's brush isn't on the shelf in her bedroom. It's on her bed, under the blanket.*

ANSWERS

1 brush (under picture of bed) 2 letter (under picture of rucksack) 3 keys (under picture of fridge) 4 comb (under picture of bathroom shelf)

- Place an item (a book, a pen, etc) in, on, under or next to another item. Ask *Where is (my pen)?*
- The children should answer with a full sentence, e.g. *It's (in your bag / on your desk / next to your book / under your chair).*

Say sentences with indefinite pronouns, e.g. *Everyone enjoyed the party. / My pen is somewhere in this room. / No one called me yesterday. / Did anything exciting happen last weekend?* Ask the children to say whether each sentence is affirmative, negative or a question. Write the indefinite pronouns under the correct headings.
- Explain to the class that we use indefinite pronouns with *-one* to talk about people, *-where* to talk about places and *-thing* to talk about things.

1 Listen and read. Then act. 5

- Ask children to look at the pictures in the story. Ask *What's this? Who's this? Where is Holly / Mum / Dad?* about each picture.

- Tell the class to close their books.
- Divide the class into two teams.
- Ask a child from Team A to say the first line. Ask a child from Team B to say the second line, and so on.
- If a child can't remember the next line, play passes to the other team. Award one point for each correct line.

FLYERS TIP: In Parts 4 & 6 of the Flyers Reading and Writing Test, learners will be asked to complete gapped sentences and texts. Tell the children to think about the meaning of the sentence around the gap to help them choose the correct missing word.

2 Look at the words in orange in the story. Complete the sentences.

- Write the headings *People*, *Places* and *Things* on the board.
- Ask the children to call out the words in orange from the story and say which heading each word should go under.

- Point to the grammar character and read out the speech bubble. Tell the children to think about whether each of the gapped sentences is affirmative or negative.
- Read out the first gapped sentence and ask children to suggest the correct word to complete it.
- Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out the completed sentences.

ANSWERS

Places: everywhere, somewhere, anywhere

Things: everything, something, anything

People: Everyone, Someone, anyone, No one

Optional activity

- Tell the children to use the orange words in the story to write three sentences: a sentence about a place, a sentence about a person/people, and a sentence about a thing/things.

Reading & Writing Parts 4, 5 & 6

FLYERS TIP: In Part 6 of the Flyers Reading & Writing Test, learners will be asked to complete a gapped text. Tell the children to think about what kinds of words are missing in the text (verbs, nouns, prepositions, pronouns, etc).

Warmer

- Play a game to warm the class up and revise parts of speech.
- Divide the class into two teams. Write a set of four words on the board (e.g. *walk, run, shout, piano*). Ask a child from Team A to say which word is the odd one out and why (*piano, because it is a noun and the other three words are verbs*).
- Write sets of words on the board for children from each team in turn and award one point for each correct answer.
- Suggested sets: *happy, bored, anywhere, angry / fridge, hungry, letter, rucksack / anyone, somewhere, shelf, nothing / sleep, bed, eat, play / book, bag, bike, boring*.

Lead-in

- Divide the class into two teams. Invite a child from Team A to write a word (noun, verb, adjective or pronoun) from the unit on the board for Team B.
- Ask a child from Team B to say what kind of word it is, then make a sentence with the word.
- Award one point for each correct answer and each correct sentence.

1 Read and write the words in the gaps.

- Ask children to look at the pictures and say who or what they can see, where each person is and what each person is doing. Explain that all of the texts are about Holly and Harry's family.
- Read out the words in the box above the first picture. Ask children to say what kind of word each word in the box is.
- Tell the children that they need to copy the words from the box into the correct gaps in the text. Remind the class to think about the meaning of the sentence and what kind of word is needed to complete each sentence.

- Tell the children to check their spelling carefully when they have copied the words.
- Allow the children time to complete the activity in their books, then invite children around the class to read out sentences from the completed texts.

ANSWERS

- 1 a everyone b noisy c popular d bored
e nothing
- 2 a kind b untidy c everywhere d lucky
e everything f fun
- 3 a little b friendly c broken d unhappy
e empty
- 4 a unfriendly b clever c boring d anything
e difficult

Optional activity

- Divide the class into two teams.
- Ask questions about the people in the texts to children from each team in turn, e.g. *How old is Emma? Is William friendly to Holly and Harry? Is Holly Harry's twin sister?*
- Alternatively, you can ask children to write three questions each about the texts, then take turns to ask their questions to children from the other team.
- Award one point for each correct answer. The team with the most points wins.

Optional activity

- Ask the children to think of a member of their family and write a short text about them, using the texts in activity 1 as models. - Ask children to suggest other words that they could make with the word halves, e.g. *doll*, *flap*, *lamb*, *come*, *coat*.

FLYERS TIP: Learners will lose marks for incorrect spelling in the Flyers Tests. Make sure you give your class plenty of spelling practice using the various word games and other activities suggested in this Teacher's Book.

Optional activity

- Write some word halves (of four-letter words from the Starters and Movers word lists) on pieces of paper. Stick the first halves of the words face down on one side of the board and the last halves of the words face down on the other side of the board.
- Divide the class into two teams.
- Invite children from each team in turn to come to the board and turn over one word half from each side of the board. If the child picks matching word halves, they win a point for their team. If they pick word halves which don't match, they must stick the word halves back on the board again.
- When all the word halves have been matched, the team with the most points wins.

2 Look at the pictures. Write the words in the word wheels.

- Point to each of the pictures and ask the children to say and spell the words.
- Show the class how the example word has been written in the first word wheel. Explain that each of the words for each section in the first wheel has got the letter *a* in the middle.
- Allow the children time to complete the word wheels in their books. Move around the classroom as the children work and help if necessary.
- Copy the word wheels onto the board. Invite children to come to the board and write the words to complete each wheel.

Reading & Writing Parts 4, 6 & 7

Warmer

- Ask the children to suggest phrases for routine activities (things they do every day). Write their answers on the board.
- Ask the children to work together in pairs or small groups to put the activities in the order they do them (from morning to evening). The children can write their lists of activities in order on a piece of paper.
- The children then tell the class the order they have decided on and compare lists with other pairs or groups.

Lead-in

- Ask the class to think about a typical school day.
- Ask children around the class to describe a typical school day, saying what they do before they go to school (*comb my hair, eat my breakfast, etc*), what they do at school (*have lessons, see my friends, eat lunch, etc*) and what they do when they go home (*do my homework, eat my dinner, etc*).

1 Read Holly's diary. Order the pictures.

- Ask children to look at the pictures and say who they can see, where the people are and what the people have got / are doing in each picture.
- Tell the children that the pictures all show events from Holly's day. Explain that they need to read Holly's diary entry, look at the pictures and then number them in the correct order.
- Allow the children time to complete the activity in their books.
- Ask the children to point to the pictures in the correct order. Encourage them to make sentences about Holly's day, such as *First, Mum couldn't find her keys. Then, Holly found the keys on the fridge. Next, Mum said Harry had to comb his hair. After that, ... etc.*

ANSWERS

5, 3, 7, 2, 1, 4, 6

FLYERS TIP: In Part 3 of the Flyers Speaking Test, learners will be asked to tell a story from a sequence of pictures. Encourage learners to talk about pictures they see, for example in the Student's Book or in magazines, whenever possible. They should try to describe what they think is happening, what the people are doing and how they think the people feel.

Optional activity

- Tell the children to cover the diary text and talk about Holly's day using the pictures to guide them. You can ask the children to talk about one picture each, or you can encourage children to tell as much of the story as they can before another child takes over the narration.

2 Read the diary again and complete the text.

- Show the class the gaps in the text and explain that they need to think of the best word to complete each gap.
- Explain that the items are grammatical words, so the children won't find the answers in the pictures.
- Remind the class to think about what kind of word fits each gap, and to think about the meaning of the sentence and what tense the sentence is in.
- Allow the children to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

1 were 2 keys 3 everywhere 4 to 5 is 6 didn't
7 were 8 go

Optional activity

- Ask the children to think about a good day or a bad day which they had recently and to tell the class about it.
- The children can write a short diary entry about their day using the diary entry in activity 2 as a model.

Reading & Writing, Part 1

FLYERS TIP: In Part 1 of the Flyers Reading and Writing Test, remind learners to copy the whole option and not add anything extra. This means including the article if there is one and not adding one if it is not needed.

Lead-in

- Write eight known words on the board, e.g. *scarves, a playground, a brush, text messages, shorts, café, map, homework*. Use a variety of singular nouns with articles, and plural nouns.
- Say a sentence about one of the words to a child in the class, e.g. *These are very long. You can wear them when it's cold outside. / This is a place for children to play. You can play on swings and slides here.*
- The child should say the correct word from the board.
- Repeat with other children and other sentences. You can play this as a game in two teams if you like.

Look and read. Choose the correct words and write them on the lines. There is one example.

- Ask the children to look at the sentences. Explain that they are going to read definitions, find the correct words and copy the words onto the lines.
- Ask the children to read the example definition and find and say the correct word.
- Ask the children to read the rest of the sentences and write the correct words. Explain to the children that they must spell the words correctly. Tell the children to copy the words exactly and not add anything extra.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

ANSWERS

1 keys 2 a shelf 3 a comb 4 a cooker
5 a shower 6 envelopes 7 a fridge 8 programmes
9 stamps 10 a blanket

Optional activity

- Ask the children to think of five words and write a definition for each word without using the words.
- The children can then swap definitions and write the words for their partners' definitions.

Listening, Part 3

Lead-in

- Ask children around the class to say where different items in the classroom are. Encourage the children to give as much detail as possible, e.g. *Where is my bag? Your bag is on your desk, next to some books.*

FLYERS TIP: In Part 3 of the Flyers Listening Test, teach learners that the item will be mentioned first, then the location. Tell learners to look at the pictures on the left while they listen for the item, then look at the pictures on the right while they listen and choose the correct location.

Where are the things that David's mum needs for the trip? Listen and write a letter in each box. There is one example. 6

- Ask children to look at the pictures. Ask them to say what items they can see in the pictures on the left and what locations they can see in the pictures on the right.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books.
- Tell the children that they should listen, choose the correct location for each item, then write the correct letter for each location in the box next to each item, as in the example.
- Play the recording twice for the children to complete the test.
- Check the answers as a class. Ask *Where is the (brush)?* and invite the children to answer.

ANSWERS

Transcript 6

David Is everything ready for the trip, Mum, or can I do anything?

Mum Oh, could you help me, David? That's very kind of you! I'm trying to find just a few things we need. I've got a lot in the suitcase already. I've got my comb, but I need my brush. Can you see it in the bedroom anywhere? Oh yes, I remember, it's on the shelf next to my bed. Can you get it for me?

Presenter Can you see the letter B? This is an example. Now you listen and write a letter in each box.

David Is there anything else, Mum?

Mum Yes – now, we'll need to take some sandwiches with us, won't we? Everyone will be hungry later. I've made them already and I put them in a bag next to the fridge. Can you see them?

David OK, what's next?

Mum Oh ... well we can't go without the car keys, can we? And I just don't know where I've put them. Can you find them anywhere? Oh ... wait a minute. They're in the hall on the table next to the telephone. That's right!

David And what else do we need?

Mum Well, I put some towels and the toothbrushes in the wash bag, but I forgot the soap. Could you get it? It's in the bathroom, on the shelf between the toilet and the shower. Thanks David!

David So is that everything now, Mum?

Mum Er, no. I really must take my new necklace. It looks so nice with my evening dress. Now, I know where that is. Just a minute. Let me think. Yes ... It's on the kitchen table ... no, I mean the table in the living room, next to my magazine. Can you get it for me please, David? There's a good boy.

David Right. Have we finished yet, Mum? I want to go and play now!

Mum Oh sorry, David. There's just one last thing! Could you get the stamps for me? They're on the desk under the window in my bedroom somewhere ... er, next to my diary. I mean ... we'll want to send some postcards to our friends so it's always good to have them, isn't it? Thanks so much, David!

David Here you are, Mum ... can I go now?

Mum Thank you. Yes, you can.

Optional activity

- Ask the children questions about the items in the Listening Test, e.g. *Was the brush in the bathroom? Where was the brush? Was it on the bed?*
- Invite children around the class to look at their books and answer with full sentences.
- Alternatively, you could play a memory game in two teams, asking questions for children from each team in turn to answer with their books closed and awarding one point for each correct answer.

- Award one point for each correct answer. If children can't answer, or if they answer incorrectly, the question can pass to the other team for a bonus point.

FLYERS TIP: Personalizing language will help learners in the Flyers Speaking Test. Make sure that learners are comfortable talking about different aspects of their lives (family, friends, home, school, their town, their hobbies, etc).

Optional activity

- Ask children around the class to talk about what places there are in their town. Ask them to say what you can find, buy or see in each place, how often they go to each place, and what places they like or don't like visiting.

- Tell the children to write eight of the words from Lesson 1 in their notebooks.
- Call out the words from Lesson 1 in random order. Make a note of the words which you have already called out.
- If a child has a word you call out in their notebooks, they can cross that word out. The first child to cross out all their words wins the game.

Lead-in

- Direct the children to different places on the map from Lesson 1. Say *You're at the railway station. Walk up the road. Go past the museum and you'll get to ...*. Encourage the children to follow your directions and say the correct place (*the police station*).
- Ask children questions about places on the map. Say *What's (opposite) the (park)?* Encourage children to look at the map and find the correct place (*the restaurant*).

FLYERS TIP: In the Flyers Reading Test Part 2, learners need to read the sentences very carefully, as only one aspect of a sentence might be incorrect, while the rest of the sentence is true. Teach learners to think about every part of a sentence before deciding whether it is true or false.

1 Read. Look at the map on page 12 and write yes or no.

- Look at the example. Point to the map in Lesson 1 and read out the example sentence. Ask the children to say whether the sentence is correct (*Yes*) or not (*No*).

7 no 8 yes

Optional activity

- Ask the children to write five questions about the map in Lesson 1, e.g. *What's opposite the restaurant? Where is the traffic?*

- Award one point for each correct answer.

2 Do the speaking activity.

- Point to the picture of Holly and Harry and ask children to read out the example exchange.
- Hand out copies of the speaking activity (one copy for each pair of children).
- Explain to the class that they need to look at the map on page 12 of the Class Book, then tell their partner where each of the places in their set of four pictures is on the map. If you like, you can encourage the children to ask their partner about each picture, e.g. *A: Where's the police station? B: It's ...*
- Act out a few example exchanges, then allow the children to carry out the activity in pairs.
- Invite some pairs of children to act out the speaking activity in front of the class.

3 Where could Holly buy these things? Look at the map on page 12 and make suggestions.

- Point to the pictures and ask the children to say the correct words.

Reading & Writing, Part 4

Lead-in

- Ask the children to tell you what places you can find in a town and what you can see / do in each place.

FLYERS TIP: Remind learners that in Part 4 of the Flyers Reading and Writing Test, they need to read the text surrounding the gap to be able to complete it correctly.

Read the story. Choose a word from the box. Write the correct words next to numbers 1–5. There is one example.

- Tell the children to look at the example. Read out the text up to the word *caught*. Ask the class to look at the words below the text and find the word *caught*. Show the class how the word *caught* has been chosen from the box and written on the line as an example.
- Tell the class to read the text, then choose the word from the box which fits in each gap (1–5). Explain that there are three words in the box which they won't need to use.
- Tell the children to cross out the words in the box as they use them. Remind them to copy the words exactly and to check their spelling when they have finished writing the words.
- Allow the children time to complete the test in their books.
- Check answers by asking children around the class to say, then spell, the words.
- If you like, you can ask children around the class to read out sentences from the text.

- Say true or false sentences about people and things in the classroom, e.g. *There are three books on my desk.* / *One boy is wearing a red T-shirt.* Ask children around the class to say *Yes* if a sentence is correct and *No* if a sentence is incorrect. Ask the children to correct the false sentences.

FLYERS TIP: Teach learners to look carefully at the picture in Part 2 of the Flyers Reading and Writing Test. Remind them that only one part of each sentence might be false, so they have to read the sentences and look at the picture carefully.

Look and read. Write *yes* or *no*.

- Tell the children to look at the examples. Point to the picture and read out the sentences. Ask the children to say whether each sentence is correct (*Yes*) or not (*No*).

- Ask the children to write five questions about the picture in the Reading and Writing Test, e.g. *How many children are there?* *Has the pirate got a beard?* *Where is the dog?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the picture and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

Listening, Part 5

Lead-in

- Revise the words for colours by asking the children to take out their coloured pencils. Say *Show me (green)*. The children hold up the correct colours.

FLYERS TIP: In Flyers Listening Part 5, make sure that learners understand that they are not being tested on their ability to draw or colour accurately. As long as they have used the correct colours on the correct objects and have drawn a very basic object in the correct place, they will not lose marks.

Listen and colour and write and draw. There is one example. 🎧 10

- Ask children to look at the picture and say what items they can see.
- Focus attention on the example. Play the first part of the recording while the children look at the example.
- Tell the children that they should listen, find the correct items in the picture, then colour items, draw an item or write a word, according to what they hear.
- Play the track twice for the children to complete the test.
- Check the answers as a class. Ask *What colour is the (envelope nearest the chair)?*

ANSWERS

- 1 The tights on the blanket are pink.
- 2 The smaller hill is brown.
- 3 The word 'keys' is written in the space above the keys.
- 4 The fire engine next to the car is orange.
- 5 There's a green comb between the bin and the bed.

Girl Thanks!
- 4 **Man** Now there are two fire engines in the picture. Do you like fire engines then?
Girl Yes, I really like them.
Man Well, colour the fire engine that's on the floor next to the car.
Girl What colour?
Man Colour it orange.
Girl That's a very funny colour for a fire engine!
Man Well, never mind!
Girl: OK then. I'm colouring it now.

Girl Yes, it's on the shelf.
Man Well, I'd like you to draw a comb for me. Do you think you can do that?
Girl Of course I can! I'm very good at drawing.
Man Great! Can you draw a comb between the bin and the bed then.
Girl Yes, and shall I colour it too?
Man Yes. Colour it green for me.
Girl There. It's a nice picture. But I think I'll tidy my room soon!
Man Why don't you tidy it now?
Girl Well ... a bit later perhaps!

Warmer

- Play a game to warm the class up and revise places in a town.
- Divide the class into two teams. Ask questions to children from each team in turn. For example, *Where can you buy a ticket / a book / some stamps?*
- Encourage children to respond with full sentences, e.g. *You could buy a ticket at the railway station.* Award one point for each correct sentence.

Lead-in

- Point to the picture of Holly and read out the speech bubble.
- Tell the children that they are going to think about food in this lesson. Ask children around the class to say any words they can remember for food and drink. Write their suggestions on the board.
- Ask children around the class to say which of the foods on the board they like / don't like.

FLYERS TIP: Describing pictures will help to prepare learners for the Flyers Speaking Test. Use the pictures in the Student's Book or pictures from magazines to help children practise describing pictures.

1 Write the numbers for the things in Holly's kitchen.

- Ask the children to look at the picture and say who or what they can see, where the people and items are, what the people are doing and how they feel.
- Ask children to read out the words and point to the correct items in the picture. Tell the children to write the numbers next to the correct word.
- Allow the children time to complete the activity in their books.

- Check answers by pointing to the pictures and asking the children to say, then spell, the words.

ANSWERS

salt 8, knife 11, fork 10, spoon 7, chopsticks 3, pizza 2, pepper 9, flour 5, sugar 12, biscuits 1, butter 6, jam 4, honey 13

Optional activity

- Slowly write the letters for one of the words in activity 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word. When a child guesses the word correctly, they should spell the rest of the word for you to complete it on the board. You can play this as a game in two teams if you like.

2 Complete the sentences.

- Point to the pictures and ask the children to say what each picture shows.
- Ask a child to read out the adjectives in the bubbles.
- Tell the children to read the sentences and complete them with the adjectives.
- Move around the class as the children complete the activity. Help if necessary.
- Invite children around the class to read out their completed sentences.

FLYERS TIP: In Parts 4, 5 & 6 of the Flyers Reading & Writing Test, the clues which help learners find the correct words for each gap may come after the gap. Teach the children to read the words before *and* after each gap to help them find the missing word.

2 Write the words in the sentences.

- Point to the pictures and ask the children to say who or what each picture shows.
- Ask a child to read out the words in the box. Check that children understand the meaning of each verb. Explain that we use *is like, looks like, smells like*, etc to say that something is similar to something else, even if it is not the same thing.
- Read out the first gapped sentence and ask children to suggest the correct word to complete it.
- Move around the classroom as the children complete the rest of the sentences. Help if necessary.

Warmer

- Play a game of *Hangman* to warm the class up and revise the words for food and drink (see page 19).

Lead-in

- Demonstrate the game with one or two children in front of the class, then hand out cloth bags with small items in them and allow the children to play the game in small groups.
- Move around the class as the children play the game and make sure all children have a chance to feel and guess an item.
- Swap the bags so that children can play the game again with different items.

FLYERS TIP: In Part 1 of the Flyers Listening Test, teach learners to number the smaller pictures and the people in the main picture during the first playing of the recording, then draw lines to complete the activity during the second playing.

Transcript 🎧 12

Harry Yesterday was Grandma's birthday. She was eighty years old! We went to this really nice restaurant in town with all the family!

Man That's nice. Did your grandma enjoy the meal?

Harry Yes, she did. She had pizza with cheese on top, and a bowl of salad ... And my Uncle Michael came. He ate a lot! He had a really large burger with chips. And he put a lot of salt on his food too. Mum says that's really bad!

Man OK and what about the others? What did your little sister have?

Harry Emma? She ate sausages – she loves them! Oh yes ... and some chips too. I had a bowl of soup and a burger. I really liked my meal! It tasted great!

Man And what did Holly have?

Harry She had soup like me. But then she had two pizzas with cheese on them. She ate a lot! And she was a bit ill when she got home!

Man Oh dear!

Harry And our cousin Helen came too. She had a very interesting meal. She ate chicken and rice. And you know, she ate her meal with chopsticks! It looked very difficult! Grandpa had the same meal as my cousin Helen, but he didn't use chopsticks. He said he's doesn't know what's wrong with knives and forks! I agree with him actually!

Man So you didn't try to use chopsticks, then?

Harry No! I was too hungry! I wanted to eat my food quickly so I just used my knife and fork! But Mum ate with chopsticks! She had chicken and green vegetables.

Man And what about your dad?

Harry Dad? Oh he had chicken. But he likes potatoes so he had them. Oh ... and some carrots too.

Man No chopsticks?

Harry No!

Man And did you have anything else to eat?

Harry Yes, we took Grandma's cake to the restaurant and we sang 'Happy birthday' to her and then we all had a piece of cake and lots of ice cream.

Man That sounds like a really lovely time!

Harry Yes, it was ... well, until Holly got ill that is!

Mrs Hall So Betty, why are you late for my lesson?

Betty Sorry Mrs Hall, I had to go to the doctor this morning.

Mrs Hall Well, the lesson began at quarter past ten and it's half past ten now!

Betty I'm sorry, but I had to see the doctor at half past nine and then I came straight to school.

Mrs Hall OK Betty, but I'll need a letter from your mother.

Betty All right Mrs Hall.

Presenter Can you see the tick? Now you listen and tick the box.

1 **Presenter** What is Betty making in her cooking lesson today?

Mrs Hall Now last week we did some good cooking and you all made some very nice pizza. I hope your families enjoyed it.

Betty What are we going to make this week?

Mrs Hall Well, it's biscuits this week, and then next week we're going to try making bread.

Betty: Can we take them home again, Mrs Hall?

Mrs Hall Yes, Betty, you can.

2 **Presenter** What should Betty get from the fridge?

Mrs Hall Now then Betty. The other children have got everything they need in front of them, so could you go to the fridge and get some eggs?

Betty And do we need milk, Mrs Hall?

Mrs Hall No, not for these biscuits, Betty. Oh, but you do need a bit of butter – you'll find that in the fridge too.

Betty Oh, OK then.

3 **Presenter** What does Betty need to do next?

Mrs Hall Before you start, have you washed your hands, Betty? It's very important to have clean hands when you're cooking.

Betty I did that before I came to class, Miss.

Mrs Hall Good ... now could you get a bowl from that cupboard over there?

Betty OK Mrs Hall.

Mrs Hall And you need to write all the information about temperature and cooking times in your book. But you can do that later.

Betty All right, Mrs Hall.

4 **Presenter** What did Betty forget to do?

Mrs Hall Did you remember to put some sugar in the bowl, Betty?

Betty Yes, Mrs Hall.

Mrs Hall And a little bit of salt?

Betty Yes I did that too. But, Mrs Hall, they don't look very brown.

Mrs Hall Well that's because you didn't turn the cooker on, Betty.

Betty Oh no!

Mrs Hall Don't worry. You can cook them now and come and collect them later.

Betty Thanks, Mrs Hall!

Optional activity

- Ask the children questions about the pictures in the Listening Test. For example, *Did the lesson start at half past ten? Are the children going to make pizza? Has Betty washed her hands? Does Betty need to get eggs from the fridge? Did Betty forget to put salt in the bowl?* Invite children around the class to look at their books and answer.
- You could play this as a game in two teams, awarding one point for each correct answer.

Reading & Writing, Part 3

Lead-in

- Prompt the children to think about questions or statements and responses by inviting pairs or groups of learners to act out stories from the Student's Book units so far. Encourage children to act without their books and ask other children to call out prompts if they forget their lines.

FLYERS TIP: In Part 3 of the Flyers Reading & Writing Test, remind learners to read all the options before choosing the most appropriate answer.

- Allow the children time to complete the test in their books.
- Check answers by reading out Jane's lines and asking children around the class to read out David's lines.

- Tell the children to take out their coloured pencils. Explain that they need to colour the lines leading from the balloons to the pictures to match the school subject words to the pictures.
- Tell the children to trace the lines with their fingers first, to make sure they are colouring the correct lines.

- Allow the children time to complete the activity in their books, then check answers by encouraging children around the class to point to the pictures and make sentences about what colour each subject is, e.g. *Geography is purple.*

ANSWERS

science – green, geography – purple, history – grey, languages – blue, sport – pink, art – yellow, music – red, maths – orange

Optional activity

- Play a memory game. Tell the children to look at the balloons and the school subjects in activity 1 for one minute, then close their books.
- Divide the class into two teams. Ask questions to children from each team in turn. Say *What colour is (art)?* The children should try to remember and say the correct colour, e.g. *Art is yellow.*
- Alternatively, you can invite children from each team in turn to ask questions to the other team.
- Award one point for each correct answer. If children can't answer, or if they answer incorrectly, the question can pass to the other team for a bonus point.

2 Which subject has got the longest line?

- Ask children to look at the lines from the balloons to the pictures in activity 1 and say which subject the longest line leads to.
- Tell the children to write the answer in their books.

ANSWERS

science

3 Tell your friend about the subjects you do at school.

- Ask children to read out the questions to the class.
- Tell the children to think about themselves and ask and answer the questions in pairs.
- Move around the class as the children ask and answer and monitor their performance.
- Invite some pairs to ask and answer in front of the class.

- Play a game of *Bingo* to revise the school subjects.
- Tell the children to write six school subjects in their notebooks.
- Call out the words for the school subjects, making a note of the words you have called out.
- If a child has the word you call out in their notebooks, they should cross out that word. The first child to cross out all their words is the winner.

FLYERS TIP: Being able to tell the time will help learners in the Flyers Speaking Test and sometimes in Part 4 of the Flyers Listening Test. Make sure your students are confident about recognizing and talking about the time.

Lead-in

- Use a cardboard or plastic clock with moveable hands to revise telling the time.
- Move the hands on the clock to show different times (o'clock, half past, quarter past and quarter to).
- Ask children around the class *What time is it?* and encourage them to look at the clock and answer.
- You can play this as a game in two teams, if you like, asking children from each team in turn what time the clock is showing and awarding one point for each correct answer.

1 Listen and read. Then act. 14

- Ask children to look at the pictures in the story. Ask questions about the pictures, e.g. *What's this? Who's this? Where is Holly / Mum / Harry / Katy? What is he / she doing? How does he / she feel?*
- Play the recording for the children to listen and follow the story in their books.

- Play the recording again, pausing after each line for the children to listen and repeat, first chorally, then individually.
- Ask children to find and say what time it is in each picture in the story.
- Divide the class into groups of six and allow the children time to practise acting out the story.
- Invite groups of children to act out the story for the class.

Optional activity

- Play a memory game. Tell the class to look at the story for one minute and try to remember the lines.
- Tell the class to close their books.
- Divide the class into two teams.
- Ask a child from Team A to read out a line from the story. Ask a child from Team B to say who said that line.
- The teams take turns to read out sentences and name the speakers. Award one point for each correct answer.

2 Match the clocks with the pictures in the story.

Write numbers.

- Ask children to look at the clocks and say what time each clock shows.
- Point to the pictures in the story and ask the children to say what time it is in each picture.
- Tell the children to read the story again and match the clocks to the pictures in the story by writing the numbers of the story pictures next to the correct clocks.
- Move around the classroom as the children complete the activity and help if necessary.
- Invite children around the class to say what time it is in each picture, e.g. *It's quarter past seven in picture 3.*

ANSWERS

1, 3, 5, 4, 6, 2

3 Think about your day. Draw the times on these clocks. Then talk to a friend.

- Point to the picture of the grammar character and read out the speech bubble. Ask the children to say whether pictures 1 and 5 in the story take place at twelve o'clock in the day or twelve o'clock at night.
- Ask the class to think of things that they do every day, e.g. *get up / have breakfast / go to school / finish school / have dinner / go to bed.* Write their suggestions on the board.
- Show the class the blank clock faces. Tell them to choose six things that they do every day and draw the times to show when they do those things on the clocks.
- The children can then work in pairs and tell their partners when they do each activity.
- Move around the class as the children talk in pairs and monitor their performance.
- Invite some children to tell the class about their day.

Warmer

- Ask children around the class questions about their daily routines. Ask *What time do you (get up / have breakfast / go to school / start lessons / finish school / do your homework / have dinner / go to bed)?*
- Encourage children to respond with full sentences, e.g. *I get up at half past seven.*

Lead-in

- Ask children around the class to say the days of the week in order.
- Write the words *Monday, Tuesday, Wednesday, Thursday, Friday* on the board. Ask children around the class *What lessons do you have on (Monday)?* Write their answers on the board under the correct days.
- Point to the school subjects on the board and ask *What time to you have (Maths) on (Monday)?* Encourage children to respond with full sentences, e.g. *I have Maths at ten o'clock on Monday.*

1 Write the days onto the timetable.

- Tell the children to look at the timetable. Point to the pictures and ask the children to name the school subjects and after-school clubs. Point to the clocks and ask the children to say the times.
- Tell the children to complete the timetable with the days of the week.
- Ask the children to say what lessons are on each day.

ANSWERS

Monday, Tuesday, Wednesday, Thursday, Friday

2 Look at the timetable. Write the answers to these questions.

- Ask children to read out the questions to the class.
- Tell the children to write the answers to the questions in their books.
- The children can compare answers by asking and answering the questions in pairs.

- Invite some pairs to ask and answer the questions in front of the class.

ANSWERS

- 1 eleven o'clock 2 twelve o'clock / midday
3 quarter to four 4 four 5 half an hour

Optional activity

- Ask the children to write five questions about the timetable, e.g. *Is there a Maths lesson on Monday? What time is lunch? How many Science lessons are there?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the timetable and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

FLYERS TIP: In Part 2 of the Flyers Speaking Test, learners will need to ask and answer questions about two people, objects or situations. You can prepare your learners for this part of the test by setting activities like the one below.

Optional activity

- Write the following questions on the board: *When do you have Maths? What time is your first lesson? How many English lessons do you have every week? When do you have Science? What's your favourite subject?*
- Tell the children to write their answers to these questions in their notebooks, then ask and answer the questions with a partner.
- The children should use their partners' answers to write sentences in their notebooks.
- Ask children around the class questions about their partner, e.g. *When does (your friend) have Maths? What time is (your friend's) first lesson?*

Warmer

- Divide the class into two teams. Set the hands on a clock to show a time, but don't show the clock to the class.
- Address children from each team in turn. Say *The big hand is on the (six) and the little hand is between the (two) and the (three). What time is it?*
- If the team guesses the correct time, show the clock and award a point. If not, let the other team try for a bonus point.

Lead-in

- Ask the children what they do on different days of the week. Say *What do you do on (Monday)?* Encourage them to talk about their day and tell you what they do at different times.

FLYERS TIP: In several parts of the Flyers Reading & Writing Test, learners will need to be able to identify different parts of speech. Give children plenty of practice at recognizing parts of speech by asking them to identify the parts of speech in sentences or lists of words.

1 Work alone. Use a dictionary to find the meanings. Then work with two friends. Tell your friends what the words on your list mean.

- Look at the lists of words. Ask children what parts of speech the words in each list are (*A verbs, B nouns, C adjectives*).
- Children work in groups of three, and look at one list each.
- Children work alone first, to look up their words in their dictionaries. When the children have looked up their words, they can work in their groups and explain what their words mean.

2 Katy and Holly are talking about school. Draw lines to make sentences. Listen and check. 15

- Tell the children to look at the first halves of the sentences and think about what kind of word or phrase is needed to complete the sentence (a noun, a verb, or an adjective).
- Children match the sentence halves, then listen and check.

Holly Do you like school, Katy?

Katy Yes I do but it's a long day. And all the teachers think doing homework is so important. And I don't like that much.

Holly What time do you get to school, Katy?

Katy Well, I usually get there at quarter to nine.

Holly That's quite early! Harry and I are usually late for school!

Katy And does Harry like school?

Holly Yes he does but he had to go and see Mr Pepper, the head teacher, last week! He was a bit frightened about that.

Katy Oh, why did he have to do that?

Holly He was talking in class.

Katy Again?

Holly Yes!

Katy Does your older brother like school?

Holly You mean William? Yes he does. He's very clever!

Katy What's his favourite subject?

Holly I don't know what his favourite subject is, actually. William's science teacher thinks he's an excellent student! And William says that maths is very easy. But I hate maths!

Katy Well I'm not good at it, but my maths teacher says I am improving!

Holly Harry's maths teacher thinks he's very lazy! I think he is too, actually!

Katy What do you like doing after school, Holly?

Holly Well, last week I started doing the art club. It's great. I'm making a toy for my sister Emma. It's a butterfly toy, because she loves butterflies.

Katy That's sounds lovely. I think I might join that club too!

Holly Do you like languages, Katy?

Katy No I don't. I get bored sometimes.

Holly Why?

Katy Oh ... just because I have to repeat all the new words after the teacher. I don't like doing that!

Holly Oh ... and I don't like history. I think it's really difficult because you have to learn too many facts.

Katy Yes, you're right. But do you know what I like about history lessons? Sometimes the history teacher lets us dress up so we look like people from the past. I think that's really good fun.

Holly So, do you like our school then Katy?

Katy Yes I do, and I'm sad that it's our last year at this school. We've got so many friends here and I really like that.

Holly Yes, I know what you mean. But I'm quite excited about going to a new school next year!

3 Do the speaking activity. TB page 132

- Point to the picture of Holly and Harry and ask children to read out the example exchange.
- Cut up the photocopiable sheets so that the pictures are separate from the instructions. Hand a set of pictures and a set of instructions to each child.
- Make sure that the children understand all the words they will need to use in the activity (*fold, needle, wood, etc*).
- Tell the children to work alone to match the pictures to the instructions, then to work with their partner to put the instructions and pictures in the correct order.
- Encourage the children to use phrases such as *I think ... , I agree ... , I'm not sure ... ; Do you think ... ?* as they work.
- Give out the full set of instructions for the children to check.
- As an extension, bring the materials to make the butterfly mobile to class, and let children follow the instructions.

Reading & Writing Part 1

Warmer

- Divide the class into two teams.
- Tell the class to look at the timetable on page 30.
- Say true or false sentences about the timetable to children from each team in turn. The children look at the timetable and say *Yes* if the sentence is true or *No* if the sentence is false.
- Ask the children to correct the false sentences. Award one point for each correct answer.

Lead-in

- Play a spelling game with the class.
- Invite children around the class to say words from the unit for other children in the class to spell orally.
- You can play this as a game in two teams if you like.

1 Look at Harry's school work. Join the words with the pictures. What are these things made of? Write the words in the correct boxes.

- Ask children to look at Harry's work and say what things they can see.
- Tell the children to draw lines to match the words to the pictures.
- Point to each item and ask *What's this?* Encourage children around the class to answer *It's a (toy duck)*.
- Read out the headings in the boxes and ask children to find an item which is made of each material.
- Tell the children to look at the picture and write the words in the correct box.
- Ask children around the class to make sentences about the items, e.g. *The toy duck is made of plastic.*

ANSWERS

Metal: fork, necklace

Paper: page, magazine

Wood: chopsticks, shelf

Wool: sweater, scarf

Plastic: toy duck, computer mouse

Optional activity

- Write the headings from the box in activity 1 on the board.
- Ask children to say what things they can think of for each heading. Write their answers under the correct headings on the board.
- Erase the words from the board and divide the class into two teams.
- Ask questions to children from each team. Say *What (are pencils) made of?* Encourage the children to respond with full sentences, e.g. *Pencils are made of wood.*
- If a child answers correctly, he/she wins a point for his/her team. If he/she answer incorrectly, you can pass the turn to the other team for a bonus point.

2 Make the word wall! Read and write the words in the puzzle.

- Ask children to read out the definitions. Explain that the numbers in brackets show how many letters there are in each word.
- Show the class how the example word has been written in the first line of the puzzle. Explain that each of the words should be written across the puzzle, and that children can look at the letters in the first square of each row to identify the correct position of each answer. They should also count the squares for each word and look at the numbers in brackets to help them.
- Allow the children time to complete the puzzle in their books. Move around the classroom as the children work and help if necessary.
- Call out the clues one by one and ask children to respond with the correct answer.

ANSWERS

wood, facts, repeat, morning, midnight, excellent, frightened, butterfly, language, improve, midday, metal, late

Optional activity

- Divide the class into two teams.
- Ask children from each team in turn to choose a word from the unit. The children should say what the word means and how many letters it has got.
- Children from the other team try to guess the word. If the children on the other team guess correctly, they win a point. If they don't guess correctly, the first team win a point.

Reading & Writing, Part 4

Lead-in

- Ask the children to tell you what kind of day they had yesterday. Ask them to tell you what good things and what bad things happened and how they felt about each event.

FLYERS TIP: Remind learners that in Part 4 of the Flyers Reading & Writing Test, they need to read the text surrounding the question to be able to correctly fill the gap.

Read the story. Choose a word from the box. Write the correct words next to numbers 1–5. There is one example.

- Tell the children to look at the example. Read out the text up to the word *had*. Ask the class to look at the words below the text and find the word *had*. Show the class how the word *had* has been chosen from the box and written on the line as an example.
- Tell the class to read the text, then choose a word from the box which fits in each gap (1–5). Explain that there are three words in the box which they won't need to use.
- Tell the children to cross out the words in the box as they use them. Remind them to copy the words exactly and to check their spelling when they have finished writing the words.
- Allow the children time to complete the test in their books.
- Check answers by asking children around the class to say, then spell, the words.
- If you like, you can ask children around the class to read out sentences from the text.
- Ask children to say which title they think best fits the story and why.

ANSWERS

1 tell 2 learnt 3 gave 4 excited 5 expensive
6 Harry's good news

Optional activity

- Ask the children to write a short text about some good news they had recently.
- Tell them to leave five gapped words in their paragraph and to write the gapped words under their text (with three extra words if you like).
- The children can then swap texts with their partner and complete each others' gapped texts.

Listening, Part 2

Lead-in

- Ask children around the class what after-school clubs they go to, how often they go to the club, when they go to the club, where the club is and what they do there.

FLYERS TIP: In Part 2 of the Flyers Listening Test, all names for people and places must be spelt correctly. They are spelt out letter by letter on the recording.

Listen and write. There is one example. 16

- Ask children to look at the heading and the gapped notes. Tell them that the notes are about an art club.
- Ask the children to say whether they will need to write a word or a number for each question.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books.
- Tell the children that they should listen and complete the notes, as in the example.
- Play the recording twice for the children to complete the test.
- Check the answers as a class. Invite the children to read out the completed notes.

Transcript 16

Man Can I help you?

Girl Oh, yes, I'd like to join the art club, please.

Man Oh, yes, very good. Now, art club is on every Wednesday after school. Can you come then?

Girl Yes, I can.

Man Well, that's excellent!

Presenter Can you see the answer? This is an example. Now you listen and write.

Girl Er, excuse me! Could you tell me which teacher does the art club?

Man Yes, now, let me see – it's Mrs Davies. Do you want to write that down?

Girl Yes, please.

Man OK, you spell her surname D-A-V-I-E-S. Have you got that?

Girl Yes, thank you. But which classroom should I go to for art club?

Man Oh, let me see ... it's the classroom opposite the school library I think. No, wait a minute, I've got that wrong – it's the classroom opposite the school hall. That's it!

Girl Oh, OK, thanks – and how many children go to art club?

Man: Well last year there were ten children there, but it's very popular this year, there are sixteen!

Girl Oh that's nice. Could my friend join too?

Man Yes I'm sure that would be fine but she'll need to come and see me about it.

Girl OK ... and what are the children making?

Man Well, this week I believe they're making butterflies, something like that anyway. So, if you go today you can do that with them. And then next week they're making kites and they're actually going to fly them in the park next weekend!

Girl Oh, that sounds lovely. But, ... how much is it to join art club?

Man Oh don't worry! It's quite cheap. It's £10.50, oh, no, sorry that was last year. This year it's a bit more expensive – £13.50 for the year, but that's for everything you need.

Girl OK, can I pay tomorrow?

Man Yes, of course you can. Enjoy it then!

Girl Thank you!

Optional activity

- Tell the children to work in pairs and use the information in the Listening Test to make a dialogue about the art club. For example:

A *What day is the art club?*

B *It's on Wednesdays.*

A *What's the teacher's name?*

B *Mrs Davies.*

- The children can practise their dialogue in pairs, then act it out in front of the class.

Optional activity

- Ask the children to think of five words and write a definition for each word, without using the word itself.
- The children can then swap definitions and write the words for their partners' definitions.

Reading & Writing, Part 1

FLYERS TIP: In Part 1 of the Flyers Reading & Writing Test, remind learners to copy the whole option and not add anything extra. This means including the article if there is one and not adding one if it is not needed.

Lead-in

- Write some known words on the board, e.g. *a butterfly, a scarf, necklaces, toys, a clock, a rucksack, stamps, envelope*. Use a variety of countable and uncountable nouns and a mixture of singular nouns (with articles) and plural nouns.
- Say a sentence about one of the words to a child in the class, e.g. *These are small and square. You put them on letters before you post them*. The child should say the correct word from the board.
- Repeat with other children and other sentences. You can play this as a game in two teams if you like.

Look and read. Choose the correct words and write them on the lines. There is one example.

- Ask the children to look at the sentences. Explain that they are going to read definitions, find the correct words and copy the words onto the lines.
- Point to each of the words around the box and ask the children to say whether each word is countable or uncountable and singular or plural.
- Ask the children to read the example definition and find and say the correct word.
- Ask the children to read the rest of the sentences and write the correct words. Explain to the children that they must spell the words correctly. Tell the children to copy the words exactly and not add anything extra.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

Revision 1

Revision 1 SB pages 36–38

Aims

Revise vocabulary, grammar and test skills from *Hello!* Unit to Unit 4

Flyers practice

The Revision sections prepare learners for all parts of the Flyers Tests

Equipment

 17

Warmer

- Play a game of *Bingo* to warm the class up and revise the words from *Hello!* unit to Unit 4.
- Tell the children to look at the first activity in each unit and choose two words from each activity. They should write their eight chosen words in their notebooks.
- Call out words from the first activities in the *Hello!* unit to Unit 4 in random order (keep a note of the words which you have called out).
- If a child has written a word you call out in their notebooks, they can cross out that word. The first child to cross out all their words wins the game.

Lead-in

- Write the headings *Family, Months, Home, Places in a town, Food* and *School* on the board. Ask the class to say what words they can remember for each heading. Write their suggestions on the board.
- Erase the words on the board. Ask children around the class to say three words from one of the groups. Say *Name three family members / months of the year / things in the house / places in a town / things you can eat / school subjects.*
- You can play this as a game in two teams if you like, asking children from each team in turn to name three items and awarding one point for each set of words.

FLYERS TIP All the vocabulary which can appear in the Flyers Test is listed in the wordlist at the back of this book. Make sure your learners are familiar with the words. This will help them to do well in the tests.

1 Read the words and write the opposites in the crossword.

- Point to the words and ask the children to say what parts of speech they are (*adjectives*).
- Tell the children that they need to think of the opposite for each adjective and write their answers in the crossword. Tell them to count the number of squares for each word and use the example letters in the crossword grid to help them find their answers.
- Check answers by asking children around the class to say and spell the words for the class.

ANSWERS

Across: 2 early 5 untidy 7 expensive 8 naughty
Down: 1 boring 2 empty 3 soft 4 quiet 6 pretty

2 Order the letters. What are they made of? Draw lines.

- Point to the picture in item 1 and ask the children to say the word (*envelope*).
- Show the children the jumbled letters around the picture and ask them to call out the letters in the correct order to spell the word *envelope*.
- Tell the children to write the words, then think about what each item is made of and draw lines to match the items to the materials.
- Invite children around the class to read out and spell the word for each item, then say what each item is made of.

ANSWERS

1 envelope – paper 2 knife – metal 3 scarf – wool
4 duck – plastic 5 desk – wood 6 book – paper

Optional activity

- Divide the class into two teams.
- Write jumbled words from the *Hello!* unit to Unit 4 on the board for each team in turn.
- Tell the children that they can ask you questions to get clues about the word, e.g. *Is it a school subject? Is it a family member?*
- When a team guesses the word, ask a child from the team to come to the board and write the letters in the correct order.
- Award one point for each correctly guessed word and a bonus point for each correctly spelt word.

3 Complete the dialogue.

- Ask the class who the people in the picture are and ask a pair of children to read out the speech bubbles.
- Ask children to look at the gapped dialogue. Explain that the words in the box are missing from the dialogue. The children need to read the dialogue and choose the best word to complete each gap.
- Ask a child to read out the first line with the example, then allow the children time to complete the dialogue in their books.
- Move around the class as the children work and help if necessary.
- Invite children to read out lines from the completed dialogue.

ANSWERS

1 everything 2 everywhere 3 anything 4 nothing
5 no-one 6 everyone 7 something

- If you have time, you can divide the class into pairs to practise acting out the dialogue. You can invite pairs of children to act out the dialogue in front of the class.

4 Draw the times on the clocks. Then say a.m. or p.m.

- Ask the class what a.m. and p.m. mean. (*a.m.* = *the time from midnight to midday*; *p.m.* = *the time from midday to midnight*.)
- Show the children the blank clocks. Ask children to read out the speech bubbles for each clock.
- Explain that the children need to read the speech bubbles and draw the correct times on the clocks.
- Ask children to look at the pictures again and decide whether each clock shows a time in the morning (a.m.) or afternoon (p.m.) Explain that the exact midday of 12.00 is neither a.m. or p.m. – it becomes p.m. at 12.01.
- Check answers by asking children to hold up their books, say the times, then say whether each time is a.m. or p.m.

ANSWERS

1 a.m. 2 p.m. 3 a.m. 4 midday 5 p.m.

Optional activity

- Divide the class into two teams.
- Using a cardboard clock, or by drawing a clock on the board, show different times to children from each team in turn, using o'clock, half past, quarter past and quarter to. Ask the children *What time is it?*
- The children look at the clock and answer. Award one point for each correct answer.

5 Listen and draw lines. 17

- Ask the class to look at the picture and say what they can see.
- Play the first part of the recording for the children to listen and look at the example.
- Play the rest of the recording for the children to listen and draw lines to match the places to the correct positions on the map.
- Check answers by asking the children to say where each place is on the map. Ask *Where's the (police station)?* Encourage children to answer *It's (next to the post office).*

ANSWERS

Woman Thanks!

- 5 **Boy** Excuse me, I'm visiting the town today and I don't know the way to the museum. Could you help me, please?

Woman Er, yes, of course. If you turn next right ... can you see ... just over there? The museum is opposite the park. It's between two shops. You'll see it on the right when you go round the corner.

Boy Oh, thank you!

- 6 **Woman** Excuse me. Can you help me? I need somewhere to stay for tonight.

Man Oh yes, there's a really nice hotel near here. Turn left at the corner. Go past the police station and it's on the right at the end of the road.

Woman Thanks very much.

6 Read Holly's diary and write the missing words.

- Tell the children that the text is an extract from Holly's diary. Show the class the gaps in the text and explain that they need to think of the best word to complete each gap.
- Explain that the children should look at the number of lines (one line per letter) for each word and the initial letter of each word to help them find the correct words.
- Remind the class to read the information around each gap and think about what kind of word fits each gap. Tell them to think about the meaning of the sentence and what tense the sentence is in.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

1 biscuits 2 supermarket 3 cooker 4 wood
5 fridge 6 plate 7 empty

Optional activity

- Ask the children to think about what they did yesterday and to tell the class about their day.
- The children can write a short diary entry about their day using the diary entry in activity 6 as a model.

Warmer

- Ask children around the class questions about themselves. For example: *What's your name? How do you spell that? How old are you? Where do you live? What's your favourite subject? What do you usually do on Saturdays? What did you do yesterday?*
- Tell the children to make short dialogues asking and answering questions about themselves, then invite pairs of children to act out their dialogues in front of the class.

- Ask the children to think about a shopping trip that they went on recently. Tell them to think about where they went, who they went with, how they travelled and what they bought.
- Invite children around the class to talk about their shopping trip.

FLYERS TIP: Use greetings such as *hello, bye, good morning / afternoon / evening* with learners so that they use them naturally. If they use them in the Flyers Speaking Test, they will create a good impression.

1 These pictures tell a story. It's called 'Mrs Hall's shopping trip'. Look at the example for picture 1. Now you tell the story.

- Tell the children to ask and answer their questions in pairs.
- Move around the class as the children ask and answer in pairs. Monitor their performance.
- Invite some pairs of children to ask and answer in front of the class.

3 Find ten more differences. Talk to your friend about the pictures.

- Ask children to look at the pictures and say what things they can see and where the things are.
- Tell the children that there are ten differences between the two pictures.
- Tell the children that they need to work in pairs. They should look at the pictures and tell their partner about the differences.

- 1 Mum** Now then, William, I'm very busy today so will you go to town with Holly and Harry?
William Oh Mum ... no!
Mum Yes, William and listen carefully. This is what I want you all to do. You just need to get on the bus at the bus stop round the corner from the house. There's a bus in 10 minutes. Now the bus goes straight on past the park and then it turns left at the top of the road. It goes left past the market and there's a bus stop just outside the shopping centre. That's where you need to get off. Do you understand, William?
William Yes Mum ... get off at the bus stop.
- 2 Mum** Now, first will you go into the shopping centre, please? I want you to change the shorts we bought last week for Harry.
Harry Oh but Mum, I really like them.
Mum I know you do, Harry, but you need bigger ones. So do that please.
Harry & William All right Mum!
- 3 Mum** Now then, go back and walk through the market. And when you're there, get Holly some new tights for school. You need them, don't you Holly?
Holly Do I Mum?
Mum Yes, you do! Your old ones are terrible. But be careful won't you? The traffic's very bad near there.
William Don't worry, Mum.
- 4 Mum** Now then ... at the end of the market turn right and there's a little shop opposite the supermarket. They sell watches and necklaces, things like that. Do you know the place I mean?
William Yes, Mum, I think so.
Mum Good. Well my necklace was broken. And they're repairing it for me there. Can you get it for me? You remember that for me, Harry!
Harry OK, Mum.
Mum Well, don't forget because I really do want to wear it for the party.
- 5 Mum** Oh yes, and then I want you to get some soap. Go into the chemist's ...
William Is that next to the bookshop, Mum?
Mum That's right William! Well they've got some lovely lemon soap there. It's a present for Grandma – she's eighty soon, you know! And I need a new brush and comb for Emma.
- 6 Mum** Now you need to pick up the cake for Grandma's birthday. Can you collect it from the cake shop please? It's just next to the chemist's.
William Yes, Mum.
Mum And be careful with it! Please don't drop it!
William OK Mum!
- 7 Mum** Now ... the post office is next to the cake shop so I'd like you to post these three letters please. And Holly, will you buy some stamps for me? And I need white envelopes too. Just get them all at the post office when you post the letters.
William Anything else, Mum?
Mum Er ... yes, actually.
William Oh Mum!
- 8 Mum** Well I need a train ticket. Go to the end of the road and turn right. Then go past the playground and the railway station is just there. I want to go and fetch

Grandma for her birthday, so could you buy a train ticket for me please?

- 9 Holly** Oh, the playground's very near the railway station Mum. Can William take us there to play, please!
Mum Sorry Holly. There isn't time! Now, from the railway station walk up the road and turn right when you get to the museum. Walk along the road and you'll see the police station.
Harry Oh, I really want to go to the museum and see the dinosaurs, Mum. Can we do that when we've got everything?
Mum No, not today Harry. There really isn't time.
Harry Oh Mum!
- 10 Mum** No Harry! Now listen! When you've done everything I'll come and collect you from the car park behind the police station, at about 4.30. I don't want you to get the bus home with that cake!
William OK Mum. Right, we're going now. See you!
Mum Oh and William, don't forget the shopping list!

Transcript 9

- Mum** OK Holly. Tell me about your shopping trip! Did you have a good time?
Holly It was OK, Mum, but I wanted to go to the playground, and ...
Mum Yes ... but did you remember to do everything?
Holly I think so ...
Mum Did you get the cake for Grandma's birthday?
Holly Yes we did ... and it's really pretty! Look!
Mum Oh yes ... it's lovely! Well done! And did you change Harry's shorts?
Holly Yes ... but we didn't get my tights from the market. They were horrible, and they were too big!
Mum Oh Holly! Well, did you post the letters for me?
Holly Yes Mum, Harry did that.
Mum Good, and you got the stamps?
Holly Yes Mum, but they only had brown envelopes so we didn't get them.
Mum Oh dear!
Holly But we did get the brush and comb for Emma ... they were very cheap, actually!
Mum Well, I hope they're OK. And the soap? Did you buy that?
Holly No Mum ... they didn't have any lemon soap And, Mum, we couldn't collect the necklace because the man said it wasn't ready.
Mum Oh no! But you got my train ticket for me?
Holly Er, well ... no. William found a computer game ... and he really liked it so he decided to get it. He said you wouldn't mind. And then we didn't have enough money for the train ticket. And so ...
Mum Oh no! Well I do mind! I'll have to go to town myself now! And I'm so busy today! Oh dear!
Holly Sorry Mum!

Reading & Writing (all parts)

Warmer

- Play a game to warm the class up and revise school subjects.
- Draw a simple timetable on the board, with the days of the week across the top, times of day down the left hand side and subjects in the middle.
- Divide the class into two teams. Ask questions to children from each team in turn. For example *What lesson is at (half past ten) on (Tuesday)?*
- Award one point for each correct answer.

Lead-in

- Tell the children that they are going to think about entertainment in this lesson. Ask children around the class where they go in their free time and what they do there.

FLYERS TIP Making connections between items of vocabulary will help learners in Part 1 of the Flyers Reading and Writing Test, where the definitions of words will often use related vocabulary to describe a person, place or thing.

1 Complete the words. Draw lines to match the things to the places.

- Ask children to look at the pictures and say what places and things they can see.
- Ask children to read out the words in the box and point to the correct pictures. Tell the children to write the words under the correct pictures.
- Allow the children time to complete the activity in their books. Tell them to make sure they spell each word correctly as they copy it.
- Check answers by pointing to the pictures and asking the children to say, then spell, the words.

- Tell the children to draw lines to match the things to the places. Explain that some of the things match more than one place.
- Check answers by asking the children to make sentences, e.g. *You can find dinosaurs at the museum.*

ANSWERS

Cinema – seats, screen, actors, cartoon

Museum – dinosaurs, pyramids

Theatre – seats, stage, actors

Circus – clowns, seats, cage, swing

Zoo – cage, wild animals

Optional activity

- Slowly write the letters for one of the things in activity 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word.
- When a child guesses the word correctly, they should spell the rest of the word for you to complete it on the board, then make a sentence about where you can find that thing, e.g. *You can find a cage at the zoo.*
- You can play this as a game in two teams if you like.

2 Write the words under the pictures.

- Point to the pictures and ask the children to say what time of day each picture shows.
- Ask a child to read out the words in the box.
- Tell the children to write the words under the correct pictures.
- Invite children around the class to say and spell the words.

ANSWERS

1 morning 2 afternoon 3 evening 4 night

Optional activity

- Ask the children to suggest activities for each of the times of day in activity 2. Write their suggestions on the board.
- Invite children around the class to talk about what they do in the morning / in the afternoon / in the evening / at night.

Reading and Writing Part 3

Equipment

Cardboard or plastic clock with moveable hands

Warmer

- Ask children around the class to tell you what they did yesterday morning / afternoon / evening and what they are going to do tomorrow morning / afternoon / evening.

Lead-in

- Use a cardboard or plastic clock with moveable hands to practise telling the time.
- Divide the class into two teams.
- Move the hands on the clock to show different times (o'clock, half past, quarter past and quarter to) to children from each team in turn. Ask the children *What time is it?*
- The children look at the clock and answer. Award one point for each correct answer.

FLYERS TIP: In Part 3 of the Flyers Reading & Writing Test, learners should read the lines before and after each gap to help them find the correct sentences.

1 Tomorrow Mrs Brown is going to take the children on a special day out. Read the conversation and choose the best question or answer.

- Ask children to look at the gapped dialogue. Explain that the sentences in the speech bubbles are missing from the dialogue. The children need to read the dialogue and choose the best speech bubble to complete each gap.
- Ask a child to read out the example speech bubble, then allow the children time to complete the dialogue in their books.
- Move around the class as the children work and help if necessary.
- Invite children to read out lines from the completed dialogue.

ANSWERS

1 e 2 f 3 g 4 d 5 h 6 a 7 c

- If you have time, you can divide the class into groups of five to practise acting out the dialogue. You can invite groups of children to act out the dialogue in front of the class.

Optional activity

- Play a memory game. Tell the class to look at the dialogue for one minute and try to remember the lines.
- Tell the class to close their books.
- Divide the class into two teams.
- Ask a child from Team A to say the first line. Ask a child from Team B to say the second line, and so on.
- If a child can't remember the next line, play passes to the other team. Award one point for each correct line.

2 Draw the times on the clocks.

- Show the children the blank clocks. Ask children to read out the phrases under the clocks.
- Explain that the children need to read the dialogue again and find the times when each event happens, then draw the correct times on the clocks.
- Move around the classroom as the children read the dialogue and draw the times. Help if necessary.
- Ask questions to children around the class. Say *What time does (the museum open)?* Encourage children to respond with full sentences, e.g. *The museum opens at half past eight.*

ANSWERS

1 half past eight 2 quarter past two
3 quarter past four 4 half past ten

Optional activity

- Ask the children to imagine that they are going to have a special day out. Tell them to think about what they'd like to do and write a list of activities.
- Invite children to tell the class about their special day out.

- Ask children to look at the pictures and say who they can see (William) and what William is doing in each picture. Ask children to say what times they can see.
- Explain that William isn't going to go out with Mum, Emma, Holly and Harry tomorrow. He's going to do different things. Tell the children to listen to the recording, find the five things that William is going to do tomorrow and number them in the correct order. Tell the children that they won't need to number all of the pictures.
- Play the recording for the children to listen and number the correct pictures.
- Ask children to say what William is going to do tomorrow.
- Ask an extension, tell the children to look at the pictures and ask and answer questions in pairs about what William is / isn't going to do tomorrow.

William What Mum?
Mum You can't cook!

Warmer

- Play a game to warm the class up and revise the vocabulary learnt so far.
- Write the headings *Places, Food, Feelings* and *School subjects* on the board.
- Say words for each heading to children from each team in turn. The children come to the board and write the words under the correct headings. Award one point for each correctly placed and spelt word.

- Ask children to read out the definitions. Explain that the numbers in brackets show how many letters there are in each word.
- Show the class how the example word has been written in the fifth line of the puzzle. Explain that each of the words should be written across the puzzle, and that children can look at the letters in the grid, count the squares for each word and look at the numbers in brackets to help them find the correct words and position.

Lead-in

- Revise the words for colours by asking the children to take out their coloured pencils. Say *Show me (blue)*. The children hold up the correct colours.

FLYERS TIP: In Flyers Listening Part 5, remind learners to listen to the instructions carefully, as they may need to do more than one thing for each part of the recording, e.g. draw AND colour.

Listen and colour and write and draw. There is one example. 19

- Ask children to look at the picture and say what people and things they can see.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books.
- Tell the children that they should listen, find the correct items in the picture, then colour items, draw an item or write a word.
- Play the recording twice for the children to complete the test.
- Check the answers as a class. Ask *What colour is the (dress of the girl who's lying down)?*

ANSWERS

- 1 The boy's guitar is yellow.
- 2 The goat on the right is purple.
- 3 The woman going out of the theatre is wearing a blue hat.
- 4 The word 'exit' is written in the space above the door.
- 5 The butterfly next to the bird is red.

Woman That's a really nice picture!

Boy I went to the theatre yesterday. I saw a famous actor there ... and I've drawn this picture. Do you like it?

Woman It's a great picture ... but are you going to colour it?

Boy OK then. Look at that girl who's lying down listening to the music. Shall I colour her dress?

Woman Yes ... can you colour it orange?

Boy OK then ... That looks good!

Presenter Can you see the orange dress? This is an example. Now you listen and colour and write and draw.

- 1 **Boy** They're all singing a song about their favourite things.

Woman Yes ... and the actress is playing a guitar. Do you want to colour it?

Boy Well, there's a boy next to her. He's playing one too. Can I colour that one?

Woman Yes. Colour it yellow.

Boy OK, great!

- 2 **Boy** So, what else shall I colour?

Woman Well, there are some hills in the picture ...

Boy Yes, and there are two goats in the picture ... can I colour them?

Woman Well, colour the one on the right.

Boy OK ... can I colour it purple?

Woman That's a strange colour for an animal! But OK then!

Boy It looks really lovely!

- 3 **Woman** Now then, next I'd like you to draw something for me, please.

Boy OK. I'll try!

Woman It's quite easy. Draw a hat on the woman.

Boy OK ... but there are lots of women!

Woman Oh yes. Sorry! Well, there's a woman going out of the theatre because her little boy's crying – can you see her? Can you draw one on her head?

Boy OK – but what colour?

Woman Well I like the colour blue.

Boy OK, I'll do it that colour then!

Woman Thanks!

- 4 **Woman** Now I'd like you to write something – do you think you can do that?

Boy Yes, I think so!

Woman Well, can you see above the door ... there's a space to write something?

Boy Oh ... yes, I can.

Woman Well, write the word 'exit' in that space.

Boy OK. I'm doing that now!

Woman That's very good!

- 5 **Woman** Now then ... one more thing. Can you see the butterflies?

Boy Yes, there's one next to the bird. Can you see that one?

Woman Yes ... colour that one red.

Boy That's a good idea. I like that colour.

Woman So do I.

Boy There ... it's done!

Woman That's really excellent. Well done!

Optional activity

- Play a memory game. Tell the children to look at the picture in the Listening Test for one minute.
- The children close their books. Ask questions about the picture, such as *What colour is the goat on the right? / How many butterflies are there? Where are the goats?* and invite a child to answer from memory.
- Repeat with other children around the class. Alternatively, you could play this as a game in two teams, awarding one point for each correct answer.

Reading & Writing, Part 2

Lead-in

- Say true or false sentences about people and things in the classroom, e.g. *There are two doors in the cinema. / One boy is standing up.* Ask children around the class to say *Yes* if a sentence is correct and *No* if a sentence is incorrect. Ask the children to correct the false sentences.

FLYERS TIP: Teach learners to look carefully at where each person or thing is in the picture in Part 2 of the Flyers Reading & Writing Test and make sure they are answering about the correct people or things.

Look and read. Write *yes* or *no*.

- Tell the children to look at the examples. Point to the picture and read out the sentences. Ask the children to say whether each sentence is correct (*yes*) or not (*no*).
- Show the class the example answers.
- Tell the children to look at the pictures, read the sentences and decide whether each sentence is true or false, then write *yes* or *no*.
- Allow the children time to complete the test in their books.
- Check answers by reading out the sentences and asking children around the class to say *Yes* or *No*.
- Ask children around the class to correct the false sentences.

ANSWERS

1 *yes* 2 *yes* 3 *no* 4 *no* 5 *no* 6 *yes* 7 *no*

Optional activity

- Ask the children to write five questions about the picture in the Reading and Writing Test, e.g. *How many monsters are there? Is the woman selling cakes? Where is the orange monster?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the picture and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

1 The children are talking together about the jobs their parents do. Put the words next to the pictures and write verbs in the spaces.

- Tell the children to look at the words in each box. Ask children to say what parts of speech the words in each box are (*Box 1 – nouns / Box 2 – verbs*).

1 Write the words in the puzzle to find the name of the job in the picture.

- Point to each of the pictures and ask the children to say and spell the words.
- Show the class how the example word has been written in the first line of the puzzle. Explain that each of the words should be written across the puzzle, then the name of the job in the picture will appear in the shaded boxes running diagonally down the puzzle.

- If the rest of the team guess the word before it is completed and spell it correctly, they win two points. If they guess the word but spell it incorrectly, you can ask the other team to spell the word for a bonus point.

2 Join the word halves to find the places where people work.

- Show the class the word halves and explain that each pair of halves makes a word for a place where people work.
- Tell the children to join the word halves by drawing lines in their books.
- Move around the classroom as the children work and help if necessary.
- Invite children around the class to say and spell the completed words.

ANSWERS

1 school 2 airport 3 factory 4 office 5 circus

Listening, Part 3

Lead-in

- Ask children around the class to say talk about their parents' jobs. Ask *What's your dad's / mum's job? Where does he / she work? What does he / she do at work?*

FLYERS TIP: In Part 3 of the Flyers Listening Test, teach learners that for each question, the pictures on the left will be mentioned first, then the pictures on the right, and that they could be mentioned in any order.

Where do Betty and her family work? Listen and write a letter in each box. There is one example. 22

- Ask children to look at the pictures. Ask them to say who they can see in the pictures on the left and what places they can see in the pictures on the right.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books.
- Tell the children that they should listen, choose the correct place for each person, then write the correct letter for each place in the box next to each name, as in the example.
- Play the recording twice for the children to complete the test.
- Check the answers as a class. Ask *Where does (Betty's father) work?* and invite the children to answer.

ANSWERS

Betty – C, Betty's mother – A, Cousin Robert – F, Uncle Richard – E, Betty's father – H, Aunt Susan – B

Transcript 22

Man So Betty ... do you work in town?

Girl Yes, I do. I'm a student but I've got a job this summer and I like it! I work at the post office in town. It's not far from the bank. Do you know where I mean? Well, anyway, it's a good job – I have to walk a lot and take all the letters to people's houses ... and I get up very early in the morning but I don't mind that really, because the money's good!

Presenter Can you see the letter C? This is an example. Now you listen and write a letter in each box.

Man And what does your dad do?

Girl Oh, well, he's got an exciting job. He's a pilot so he's often at the airport. But then he flies to other countries so he's away a lot. Mum's sometimes unhappy when he goes away for a long time.

Man And what does your mum do?

Girl Oh, well, she's very busy too. She's a nurse at the hospital in town. She looks after people who are ill. She has to work very hard, you know. And sometimes she works late at night.

Man And who's that man, there?

Girl That's Mum's brother. He's my uncle Richard. He's got a very interesting job. He's a fireman, so he works at the fire station. And his job can be dangerous. There was a big fire at the castle last year, you know, and he went there to help. He likes his job, because he can help other people.

Man Now who's that woman there?

Girl Oh, that's my Aunt Susan. She's Dad's sister. She's very friendly. I like her. She's an actor and she really is very famous! Sometimes Mum and Dad take me to London to see her. She works on the stage at a theatre there. It's really exciting, going to London!

Man And that boy there. Is he your brother?

Girl You mean Robert? No, he's my cousin, my uncle Richard's son. He's going to go to university next year. He wants to be an engineer. But this year he's working in a factory. They make biscuits there and sometimes he brings some for us to try. They're really lovely! Anyway, that's my family! What about your family, then?

Optional activity

- Ask the children questions about the Listening Test, e.g. *Does Betty work at the hospital? Where does Richard work?*
- Invite children around the class to look at their books and answer with full sentences.
- Alternatively, you could play a memory game in two teams, asking questions for children from each team in turn to answer with their books closed and awarding one point for each correct answer.

Reading & Writing, Part 6

Lead-in

- Point to the picture and the title. Ask children around the class to say what they know about policemen and policewomen. Ask questions to children around the class, e.g. *Where do policemen and policewomen work? What do they wear? What do they do?*

FLYERS TIP: In Part 6 of the Flyers Reading and Writing Test, remind learners to think about what kind of word (noun, verb, adverb, adjective, preposition, etc) fits each gap.

Read the text. Choose the right words and write them on the lines.

- Ask the children to look at the picture. Explain that they are going to read a text about policemen and policewomen. Remind the children to read the whole text before they start trying to fill in the gaps.
- Ask the children to read the example sentence and all of the possible answers. Ask them to think about why *because* is the best answer.
- Ask the children to read the rest of the text and choose the best answers. Explain to the children that they must copy the words onto the lines, and that they must spell the words correctly. Tell the children to copy the words exactly and not add anything extra. Remind them to read all of the possible answers, even if they think they have found the right one before they have looked at them all.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

- Play a game to warm the class up and revise jobs.
- Divide the class into two teams.
- Tell a child from Team A to choose a job without telling the other team what it is. Children from the other team take turns to ask questions and try to guess the job, e.g. *Do you work in a hospital? Do you wear a uniform? Do you work at night?* The child from Team A can only answer *Yes or No*.
- Repeat with children from each team in turn and award one point for each correct guess. If you like, you can give teams a limit of five questions to ask before they make their final guess.

FLYERS TIP: Help learners to remember vocabulary and connect vocabulary to topics by thinking of ideas with the class. Ask children to think of as many words as possible connected to a certain topic. Then ask them to use the words to talk about the topic.

Lead-in

- Tell the children that they are going to think about a castle in this lesson. Ask children to suggest things that you might find / see / do at a castle. Write their suggestions on the board.
- Ask the children if they have ever visited a castle and if so, what they saw and did there.
- Leave the words on the board for the second optional activity in this lesson.

1 Draw lines from the words to the things in the pictures.

- Point to the picture of Holly and Harry. Ask a child to read out the speech bubbles.

- Ask children to look at the picture and say what they can see.
- Then focus on the words around the picture. Ask children to read them out and point to the correct items in the picture. Tell the children to draw lines to match the words to the things in the picture.
- Allow the children time to complete the activity in their books, then check answers by pointing to items in the picture and asking the children to say the correct words.

Optional activity

- Slowly write the letters for one of the words in activity 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word.
- When a child guesses the word correctly, they should spell the rest of the word for you to complete it on the board, then find the item in the picture in activity 1.
- You can play this as a game in two teams if you like.

2 Ask and answer.

- Point to the picture of Holly and Harry. Ask children to read out the speech bubbles.

Teacher Good afternoon everyone. Could you all listen very carefully because I'm going to give you some important information about our trip tomorrow. So ... we're going to leave on Wednesday morning, the 12th of June. As you already know, I'm sure, this is going to be a very interesting trip to a famous castle, which is called Harlow Castle. You spell that H-A-R-L-O-W. Could you write that down on your information page, please? Now, we're going to leave school very early – at 7.30 a.m. – and please don't be late because we've got a long journey to the castle. It'll take us two and a half hours to get there.

Now, when we get to the castle, a very friendly man will give us a tour of the castle building – that will be at 11 a.m. So, first we're going to visit the rooms inside the castle. They're very old and interesting and will give you an idea of the history of this great building. There's also a small museum near the castle – so we'll visit that next.

Then I'm sure you'll all be hungry, so we'll have lunch at 1.30 p.m. Now we won't have long for lunch – just half an hour – because we've got lots to do in the afternoon. So we're just going to eat our sandwiches outside – please remember to bring some with you. You can go to the castle restaurant to get drinks.

Then, after lunch, at two o'clock in the afternoon, we're going to walk round the river and castle gardens. They're really lovely. There are wild animals in the gardens, so please look out for them and tick any wild animals you see on your information page. There are also some very interesting insects, for example, unusual butterflies and spiders. If you see any, please draw pictures of the insects and colour them. Oh yes ... you must stay in groups when you visit the gardens and everyone must be back on the bus at 5.30, please. We really want to leave as quickly as we can so that we get to school again at 7.45 in the evening. Please ask your parents to be there to pick you up then.

Now, just a few words about what to bring with you tomorrow. I've talked about sandwiches, and it's always good to have a camera – but not an expensive one – and don't lose it. Then, of course, don't forget your coat because it might be cold. And ... oh yes ... remember an umbrella because it could rain tomorrow I'm afraid.

You can bring some money for things like postcards. They aren't very expensive. And in the castle gardens you can also buy ice creams and snacks.

Well, get to bed early tonight and I'll see you all in the morning!

- Show the children the sentence halves. Tell the children that these sentences were written by Holly about the school trip to the castle.
- Show the children the words in the bubbles and explain that they need to use the words in the first set of bubbles to complete the sentence halves on the left, and the words in the second set of bubbles to complete the sentence halves on the right.

Warmer

- Play a game to warm the class up and revise the vocabulary learnt so far.
- Write the headings *Places, Food, Feelings, School subjects* and *Jobs* on the board.
- Say words for each heading to children from each team in turn. The children come to the board and write the words under the correct headings. Award one point for each correctly placed and spelt word.
- Alternatively, you can invite children from each team in turn to think of their own words to write under one of the headings on the board.

Lead-in

- Play a spelling game with the class.
- Invite children around the class to say words from the unit for other children in the class to spell orally.
- You can play this as a game in two teams if you like.

1 Read the sentences and circle the words in the wordsearch.

- Ask children to read out the definitions. Explain that the word for each definition is hidden in the wordsearch.
- Show the class how the example word has been circled in the wordsearch. Explain that the children should read the definitions, think of the word, then find and circle the word in the wordsearch.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children to read out the definitions, show you the circled words in their books and say the correct words.

Optional activity

- Divide the class into two teams.
- Ask children from each team in turn to choose a word from the unit. The children should say a definition for the word.
- Children from the other team try to guess the word.
- If the children on the other team guess correctly, they win a point. If they don't guess correctly, the first team wins a point.

2 Follow the instructions, draw lines and write the letters. Find a word which describes the trip to the castle.

- Ask the children to imagine they are in the grid and to point north (straight up), south (straight down), east (right) and west (left).
- Show the class the letters in the grid. Explain that they need to follow the instructions and circle the letters they land on as they move along the grid. These will spell a word once they have completed the task.

Warmer

- Ask the class to think about what they have learnt in this unit.
- Ask children around the class to say what words they have learnt and what Holly and Harry did on their school trip.

Lead-in

- Ask the children to say as many words and phrases connected to castles as they can remember. Write their suggestions on the board.
- Point to the words and phrases on the board and ask children around the class to say whether you can find each thing inside or outside a castle. Tell the children to say complete sentences, e.g. *You can find a gate outside a castle. / You can find a crown inside a castle.*

1 Read Holly's diary. Do the activity on the photocopiable worksheet. TB page 136

- Hand out copies of the photocopiable activity (one for each child).
- Explain that this is a worksheet from Holly's trip to the castle. They will complete the information on the worksheet by reading the diary entry, then listening to a conversation between Holly and her mum.
- Do the first item as an example. Ask children to read the first paragraph of the diary and draw the correct time on the clock.
- The next activity is to look at the items around the castle picture on the photocopiable worksheet, and draw lines to match them to each room in the castle, following the information in the diary.
- Move around the class as the children read the diary entry and complete the activity.
- Check answers by asking individual children where each item is, e.g. *Where are the paintings?*

ANSWERS

Time on clock: half past six
The paintings are in the hall.
The old bowls and bottles are in the kitchen.
The letters are in the library.
The brushes and combs are in the Queen's bedroom.
The desk is in the King's bedroom.
The rings and necklaces are in the living room.
The mirror is in the bathroom.
The plates, knives and forks are in the hall.

2 Holly is talking to her mum about what she did in the castle gardens. Listen and do the photocopiable activity. 25 TB page 136

- Children continue to work on the photocopiable worksheet.
- Explain that in this activity they will listen and complete information about what animals Holly saw on her day out, and what time she got back to school.
- Ask the children to say what they can see in the pictures.
- Tell the children to take out their coloured pencils. Say *Show me (red)* and encourage the children to hold up the correct colours.
- Play the recording for the children to listen and colour the animals, and draw the correct time on the clock.
- Check answers by asking children around the class to describe the animals.

FLYERS TIP: Remind the children that they are being marked on their understanding of the conversation, and not on their colouring. They don't need to spend a lot of time colouring neatly, as long as they get the correct colour in each place. You can also suggest that they can put a dot of the correct colour in each place the first time they listen, and complete it the second time they hear it, or at the end.

ANSWERS

Holly saw orange and black snakes, red and green parrots and brown bears.
Her favourite insects were a spider with a black and yellow body and red legs and a purple butterfly with orange and green spots.
Time on clock: half past eight

Transcript 25

Mrs Brown So you visited the museum, and then where did you have your lunch, Holly?

Holly Well, Katy and I decided to go to the playground. We ate our sandwiches there and played on the swings there.

Mrs Brown Well I hope you played on the swings after you ate your sandwiches, Holly!

Holly Of course we did, Mum!

Mrs Brown And what did you do after lunch?

Holly We visited the gardens. And, you know, there were some wild animals there! Some of them were in very big cages.

Mrs Brown Really? So what animals did you see?

Holly Well, Harry said he saw green lizards but I didn't. I saw orange and black snakes, and some big yellow and brown lions.

Mrs Brown Oh dear! Weren't you frightened?

Holly No, Mum, I wasn't! And next I saw some red and green parrots. One said 'Hello, who's a pretty girl?' I couldn't believe it!

Mrs Brown It spoke to you?

Holly Yes, it really did! And there were also some big brown bears there – Katy and I loved them! They looked so friendly ... but really they're very dangerous.

Mrs Brown I know they are!

Holly Harry said he saw some monkeys and they were very funny, but I didn't see any. I was a bit unhappy about that because they're my favourite animals. And he saw some rabbits in the woods, but Katy and I didn't!

Mrs. Brown Never mind! You still saw lots of animals.

Holly Yes, we did! And we saw some insects in the insect house too!

Mrs: Brown Oh no! I hate insects!

Holly No Mum, some of them were really lovely. I saw a really big spider there. It had a black and yellow body and red legs! It was wonderful!

Mrs Brown Oh no, Holly. It sounds horrible!

Holly And my other favourite insect was a butterfly. It was purple with orange and green spots!

Mrs Brown Oh well, that doesn't sound too bad!

Holly It was lovely, Mum!

Mrs Brown I'm sure it was! But you both got back to school very late! Half past eight on a school night!

Holly I know. Some children couldn't find the way back to the bus, so we were late leaving the castle. But there was also a lot of traffic on the roads on the way home. That's why. But it was an excellent day, Mum!

Mrs Brown Yes it was. But ... Holly, Harry ...

Holly and Harry What Mum?

Mrs Brown It's time for bed now! Off you both go. And do you know what you're going to do tomorrow evening?

Holly and Harry No, Mum!

Mrs Brown Guess!

Holly and Harry We're going to do our homework, Mum!

Mrs Brown That's right!

Optional activity

- Tell the children to look at the diary entry for one minute, then cover the text and talk about the school trip from memory.
- Ask children to say a couple of sentences each, then move on to the next child so that everyone gets a turn to talk a little bit about the school trip.

Reading & Writing, Part 6

Lead-in

- Point to the picture and the title. Ask children around the class to say what words they think they might read in the text. Write their suggestions on the board.
- Ask children around the class to make sentences about castles using the words on the board.

Flyers tip

- In Part 6 of the Flyers Reading & Writing Test, remind learners to read all of the possible answers, even if they think they have found the right one before they have looked at them all.

Read the text. Choose the right words and write them on the lines.

- Tell the children that they are going to read a text about a famous castle in Britain. Remind the children to read the whole text before they start trying to fill in the gaps.
- Ask the children to read the example sentence and all of the possible answers. Ask them to think about why *most* is the best answer.
- Ask the children to read the rest of the text and choose the best answers. Explain to the children that they must copy the words onto the lines, and that they must spell the words correctly. Tell the children to copy the words exactly and not add anything extra. Remind them to think about what kind of word (noun, verb, adverb, adjective, preposition, etc) fits each gap.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

ANSWERS

1 when 2 have 3 Would 4 because
5 something 6 through 7 up 8 where
9 must 10 out

Optional activity

- Ask the children to write a short paragraph about a castle or famous building they have visited.
- The children can write their paragraphs in their notebooks, then read them out to the class.

Optional activity

- Ask the children to write five questions about Windsor Castle, using the information in the Reading and Writing Test, e.g. *What's the best time of year to visit Windsor Castle? When does a flag fly on top of the castle? Who built the large apartments in the castle?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the text and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

FLYERS TIP: In Part 4 of the Flyers Listening Test, learners will need to choose the correct picture from sets of three. Teach learners to listen carefully to make sure they are not distracted by misleading information in this part of the test.

1 Listen to Holly explaining what's going to happen at her school sports day. Write a tick (✓) or a cross (✗) next to the pictures. Then write 'm' for morning or 'a' for afternoon. 26

- Tell the children to look carefully at the pictures. Ask the children who they can see and what the people are doing in each picture. Point out that they will need to be able to distinguish important details. For example, point to pictures 3 and 4, and ask students to identify George and Harry. Ask *Are they on the same team in 3? (No.) Are they in the same team in 4? (Yes.)*
- Explain that some of the pictures show things that will happen, and other show things that won't happen. The children should listen carefully and tick the pictures that show the things which are going to happen, and cross the pictures that show things which aren't going to happen.
- Play the recording for the children to listen and tick or cross.

Holly Today is our school sports day! And I'm going to explain what happens. It's great fun and very exciting and it's going to start soon, at ten o'clock!

Man So what's going to happen in the morning?

Holly Well, first there's going to be a running race. That's going to start soon and it's going to be really exciting. Harry really wants to win!

Man And what's going to happen after that?

Holly Well, then, after the race the football match is going to start. There are going to be two teams. Harry and George don't play for the same team but both teams play well so it's going to be an exciting match.

Man Harry and George are going to be very tired tonight!

Holly Yes!

Man And what's going to happen in the afternoon?

Holly There's going to be a volleyball match. I'm playing in that. Katy is on my team too.

Man Oh, I love volleyball!

Holly So do! Oh, I forgot about the high jump competition.

Man The high jump competition?

Holly Yes, my friend Katy's going to win that. She's really good at jumping.

Man That sounds exciting! When is that?

Holly Oh, it's in the morning. After the running race. And then later today, after lunch, the head teacher is going to tell us who all the winners are. And the winners are going to go up onto the stage and collect their prizes!

Holly Yes, it is!

2 Draw lines to match the question tags to the correct sentences.

- Point to the picture and ask the children to say who they can see and what the people are doing.

FLYERS TIP: Information exchange games like the one below will help to prepare learners for Part 2 of the Flyers Speaking Test.

Warmer

- Draw two basic sports day timetables on the board (each with the main heading: *Sports Day* and subheadings *Morning* and *Afternoon*).
- Divide the class into two teams. Tell each team to copy the timetable onto a piece of paper and decide on three events for the morning and three events for the afternoon. To make the game easier, you could write a few events on the board for the children to choose from.
- Invite children from each team in turn to ask the other team questions about their sports day, e.g. *Is there a football match in the morning? / Is there a running race in the afternoon?*
- If the other team answer in the affirmative, the child asking the question can write the event in their timetable on the board. The first team to complete their timetable on the board wins the game.

Lead-in

- Tell the class that in this lesson, they are going to read about events at the sports day and preparations for the sports day. Ask the children to suggest things that you might need to do in order to get ready for a sports day, e.g. *make snacks, decorate playground, invite parents, practise sports*.

1 Listen and read. Then act. 27

- Ask children to look at the conversation and the picture. Ask *Who is talking? What are they talking about?*
- Play the recording for the children to listen and follow the conversation in their books.

- Play the recording again, pausing after each line for the children to listen and repeat, first chorally, then individually.
- Point to the grammar character and read out the speech bubble. Ask the children to find and read out the examples of *already* in the conversation.
- Divide the class into pairs to practise acting out the conversation.
- Invite pairs of children to act out the conversation in front of the class.

Optional activity

- Play a memory game. Tell the class to look at the conversation for one minute and try to remember the lines.
- Tell the class to close their books.
- Divide the class into two teams.
- Ask a child from Team A to say the first line. Ask a child from Team B to say the second line, and so on.
- If a child can't remember the next line, play passes to the other team. Award one point for each correct line.

2 Make sentences. Match them with the pictures.

- Ask children to look at the pictures below the sentences and say what they can see and what the people are doing.
- Tell the children to write the words in the correct order to form sentences, then match the sentences to the pictures.
- Move around the classroom as the children complete the activity and help if necessary.
- Invite children around the class to read out the completed sentences and say the letters for the correct pictures.

ANSWERS

- 1 Mrs Brown has just arrived at the school. (f)
- 2 The parents have already made snacks and cakes. (d)
- 3 The teachers have just tidied the classrooms. (b)
- 4 The children have already put flags in the playground. (e)
- 5 The parents have already paid for their tickets. (c)
- 6 The head teacher hasn't given the children their prizes yet. (a)

Warmer

- Play a game to warm the class up and revise sports.
- Divide the class into two teams.
- Describe a sport to a child from Team A, but don't say the actual word. For example, you could say *In this sport, there are two teams, with eleven players on each team. The players kick a ball and try to score a goal. What's the sport?*
- If the child guesses the correct sport, award them one point. If the child doesn't guess the correct sport, you can pass the turn to the other team for a bonus point.
- Repeat, describing different sports (*swimming, volleyball, hockey, basketball, tennis, badminton, running, skiing, golf, cycling*, etc) to children from each team in turn.

Lead-in

- Write the words *already* and *yet* on the board. Remind the class that we use *already* with the present perfect to talk about things we have done, and that we use *yet* with the present perfect to talk about things which we need to do, but haven't done.
- Ask children around the class to tell you what they have already done / haven't done yet today.

FLYERS TIP: In Part 2 of the Flyers Listening Test, remind learners to listen carefully for how words are spelt.

1 Listen to the head teacher. He's talking to the children and parents about sports day. Write the missing information. 28

- Ask children to look at the notes. Explain that this is information about sports day. The children need to listen to the head teacher and complete the notes with the missing information.
- Play the first part of the recording for the children to listen and look at the example.

- Play the rest of the recording, twice if necessary, for the children to listen and write the missing information in the spaces.
- Ask children around the class to use their answers to make sentences about sports day.
- Ask an extension, tell the children to look at the information and ask and answer questions about sports day in pairs.

ANSWERS

Transcript 28

Head teacher Well, we've had a very exciting day today, everyone. We've seen the 200-metre race and the football match and we've watched a volley ball match. But now I'm going to tell you about our prize winners: Well the 200-metre race was very exciting and George was the winner! Well done George! Harry was winning the race until he fell over and he was very good about that about that so he also wins a prize for being a very brave boy. Well done Harry! Now, next ... our footballers played a match, and what an exciting game that was! Our two best teams were playing, the 'Lions' and the 'Bears', with eleven players on each team. At half time the score was 2/1 to the Lions. But then in the second half things got very exciting and at the end of the match the score was 3/2. What an exciting match it was. The Bears won but well done to the Lions too – you all played really well!

The volleyball match in the afternoon was also exciting – the Dolphins played the Sharks and the score at the end of that match was Dolphins 23, Sharks 25, so the Sharks were our winners! But it really was wonderful play from both the Dolphins and the Sharks! Well done!

Good ... now I can't finish without saying a big thank you to the parents who made all the cakes and snacks for today. The school has made over £300 today which will help with a very exciting trip! As most you know, we're going to take the children in Year 6 camping for a week! I'm sure it will be great fun and the Year 6 children will learn a lot too. So thank you all again ...

2 Now make sentences about sports day.

- Show the children the columns of words. Explain that they should choose one option from each column to form sentences about the school sports day.
- The children can look back through the unit to remind themselves what happened at the sports day if necessary.
- Tell the children to write the sentences in their notebooks, then invite children to read out their sentences to the class.

Warmer

- Divide the class into two teams.
- Say true or false sentences about sports to children from each team in turn, e.g. *There are ten players in a football team. / You use a stick to play hockey. / You kick a ball when you play basketball. / You can play tennis with a partner.*

Lead-in

- Play a spelling game with the class.
- Invite children around the class to say words from the unit for other children in the class to spell orally.
- You can play this as a game in two teams if you like.

1 Katy has written about the 200-metre race for the school magazine. Write the missing words in the sentences. Then number the pictures in the correct order.

- Show the class the gapped sentences and explain that they need to choose two words from the box to complete each sentence. They will need to use all of the words.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out the completed sentences.

ANSWERS

1 went, waited 2 waved, began 3 fell, hurt
4 ran, won 5 gave, came 6 held, smiled

- Ask children to look at the pictures and say who they can see, where the people are and what the people are doing in each picture.
- Tell the children that the pictures all show stages in the 200-metre race. Explain that the children need to read Katy's sentences, look at the pictures and number them in the correct order.

- Allow the children time to complete the activity in their books.
- Ask the children to point to the pictures in the correct order. Encourage them to make sentences about the race, such as *First, the boys and girls went to the starting line. Next, the sports teacher waved her flag. Then, the boys ran, but Harry fell. After that, ...*

ANSWERS

5, 4, 2, 6, 3, 1

Optional activity

- Ask the children to write five questions about Holly and Harry's sports day, using the information in the unit, e.g. *When was the volleyball match? Are Harry and George in the same football team? Who won the high jump competition?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look back at the unit and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

2 Do the speaking activity. TB page 137

- Point to the picture of Holly and Harry and ask children to read out the example exchange.
- Hand out copies of the speaking activity (one copy cut in half for each pair of children, so that each child in each pair has one story).
- Tell the children to look at their set of pictures and think about what the story is and what order the pictures should be in. They need to tell their partner the story and then listen to their partner's story.
- Move around the classroom as the children tell their stories and help if necessary.
- Invite some children to tell their stories to the class.

Optional activity

- Ask the children to write a short paragraph about Holly and Harry's sports day.
- The children can write their paragraphs in their notebooks, then read them out to the class.

Listening, Part 1

Lead-in

- Describe a child in the class without saying his/her name. The other children try to guess who you are talking about.
- Say one sentence at a time and invite guesses after each additional sentence.
- The first child to guess who is being described can take a turn to describe another child for the rest for the class to guess.

FLYERS TIP: In Flyers Listening Part 1, teach learners that they can listen and number the people in the picture the first time they listen, then draw lines when they are sure about their answers (on the second listening).

Listen and draw lines. There is one example. 29

- Ask the children to look at the picture. Ask *What can you see? Where is he/she? What's he/she doing?* Elicit answers from children around the class.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books. Tell the children that they should draw lines to match the names to the people, as in the example.
- Play the recording twice for the children to complete the test.
- Check the answers as a class.

Optional activity

- Play a memory game. Tell the children to look at the picture in the Listening Test for one minute and think about what they can see and what the people are doing in the picture.
- The children close their books. Say true or false sentences about the picture. For example *Mary is wearing a red coat.* / *There are three women selling snacks.* and invite children to answer *Yes* or *No* from memory.
- Repeat with other children around the class. Alternatively, you could play this as a game in two teams, awarding one point for each correct answer.

Reading & Writing, Part 5

Lead-in

- Point to the picture and the title. Ask children around the class to say what they think they will read about in the text.
- Explain that the text is written by Holly and Harry's mum. Invite children around the class to say what they remember about Holly and Harry's sports day.

FLYERS TIP: In Part 5 of the Flyers Reading & Writing Test, remind learners that the picture is there to support the text, but they will not find the answers in the picture. They will need to read the text carefully to find the answers.

Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

- Ask the children to look at the picture. Explain that they are going to read a text about Holly and Harry's school sports day. Remind the children to read the whole text before they start trying to complete the sentences.
- Ask the children to read the example sentences and say how many words have been completed in each example. Tell the children that they can use up to four words, but no more.
- Ask the children to read the text and complete the sentences. Allow them time to complete the test in their books.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

ANSWERS

1 hasn't started 2 new doll 3 under a blanket
4 envelopes 5 late 6 ball 7 unhappy

Optional activity

- Ask the children to read the text again and use the information to write five questions about Holly and Harry's sports day in their notebooks.
- The children can swap notebooks with a partner, look at the text again and answer their partners' questions.

Revision 2

Revision 2 SB pages 72–74

Aims

Revise topics, grammar and test skills from *Hello!* unit to Unit 8

Flyers practice

The Revision sections prepare learners for all parts of the Flyers Tests

Equipment

30; Coloured pencils

Warmer

- Play a memory game to warm the class up and revise the words from *Hello!* unit to Unit 8.
- Write a vocabulary set from one of the units on the board.
- Tell the class to look at the words for one minute (or less), then close their eyes. Erase two or three of the words from the board.
- Tell the class to open their eyes and say which words are missing.
- You can repeat the game a few times, using different vocabulary sets each time.

Lead-in

- Write the headings *Jobs, Entertainment, Places of work, Castles* and *Sport* on the board.
- Ask the class to say any words they can remember for each heading and write their suggestions on the board.
- Allow the children time to look at the words on the board, then erase them.
- Ask children around the class to say three words from one of the groups. Say *Name three jobs / things you can see at the cinema / things you can find at the zoo / places where people work / things you can see at a castle / sports words.*
- You can play this as a game in two teams if you like, asking children from each team in turn to say three words and awarding one point for each set of words.

FLYERS TIP: In the Flyers Tests, marks are often lost because letters and/or words are not clearly written. Remind learners to write clearly and to check that what they have written can be easily read. It might be better for learners to print, rather than use joined-up writing.

1 Look at the pictures. Write the names of the jobs in the boxes.

- Ask the children to suggest as many words for jobs as they can.
- Tell the children to look at the pictures and write the words. Tell them to count the number of squares for each word (one per letter) to help them find their answers.
- Check answers by asking children around the class to say and spell the words for the class.

ANSWERS

1 actor 2 artist 3 dentist 4 mechanic

Optional activity

- Invite children to think of another job and draw a line for each letter in the word on the board.
- Tell the rest of the class that they can ask the child questions to get clues about the word, e.g. *Does this person work in a hospital? Does this person wear a uniform?*
- When a child guesses the job, they should spell it for the first child to write the letters on the board.
- The child who guessed the word can then take a turn to choose a job for the rest of the class to guess.

2 Draw lines to find the words that start with 'ex'. Read the sentences and write. Then colour.

- Tell the children to take out their coloured pencils. Say *Show me (purple).* The children hold up the correct colours.
- Focus attention on the parts of words in the balloons. Explain that each word starts with *ex*, and there are two more balloons for each word.
- Look at the example and show how the word *example* is joined in the balloons, and completed in the first sentence.
- Tell the children that they need to find the words and use them to complete the sentences.
- They then need to read the colour in brackets at the end of each sentence, and colour the word balloons correctly.
- Check answers by asking children to read out the completed sentences, and say which word balloons they linked and coloured for each one.

ANSWERS

1 example 2 extinct 3 exam 4 excellent 5 excited
6 expensive 7 explain

- As an extension, ask the children what other words beginning with *ex* they can think of, e.g. *exit, exist, exact, extra, expect, extreme, explore.*

3 Match the pictures with the sentences and add the question tags.

- Point to the pictures and ask the children to say who or what they can see, and what the people are doing.
- Tell the children to read the sentences and write the correct numbers next to the matching pictures.
- The children should then read the question tags in the box and use them to complete the sentences.
- Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out the completed sentences and point to the matching pictures.

ANSWERS

Pictures: 2, 1, 5, 6, 3, 4

1 isn't he? 2 aren't you? 3 are you? 4 is it?

5 doesn't she? 6 can't I?

- As an extension, write some more sentences on the board, using a variety of tenses, and ask children around the class to say the correct question tags.

4 Read the story and write the missing words.

- Tell the children that the text is about a film. Show the class the gaps in the text and explain that they need to choose the best word from the box to complete each gap.
- Explain that the children should read the information around each gap to help them find the correct words.
- Remind the class to think about what kind of word fits each gap, and to think about the meaning of the sentence and what tense the sentence is in.
- Allow the children time to complete the activity in their books.
- Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

1 saw 2 went 3 were 4 was 5 made 6 drive
7 driving 8 flew 9 fly 10 flying 11 living 12 go

Optional activity

- Ask the children to think about a film they have seen recently and to tell the class what the film is about and what happens in the film.
- The children can write a short text about the film using the story in activity 4 as a model.

5 Listen to the conversation and look at the pictures. Who does each thing, Bill or his mum?

Listen and draw lines. 🎧 30

- Ask the class to look at the pictures and say what they can see. Explain that the people in the pictures are Bill and his mum. The children need to listen and draw lines to match the items to the correct people, according to who does each thing, or who is going to do each thing.
- Play the first part of the recording for the children to listen and look at the example.
- Play the rest of the recording for the children to listen and draw lines to match the items to Bill or his mum.
- Check answers by asking questions to children to children around the class. Ask *Who (has washed the football shirt)?* and encourage children to answer *Mum (has washed the football shirt).*

Warmer

- Play a game to warm the class up and revise sports.
- Divide the class into two teams.
- Tell a child from Team A to choose a sport without telling the other team what it is. Children from the other team take turns to ask questions and try to guess the sport, e.g. *Do you play it with a partner? Do you use a stick? How many people are in each team?* The child from Team A can only answer *Yes* or *No*.
- Repeat with children from each team in turn and award one point for each correct guess. If you like, you can give teams a limit of five questions to ask before they make their final guess.

FLYERS TIP: Learners will need to describe pictures in the Flyers Speaking Test. To help learners practise this, you can bring in pictures from magazines or the Internet. Tell the children to look at the pictures in pairs or small groups and list as many words to describe the picture as possible in one (or two) minute(s).

Lead-in

- Tell the children that they are going to think about a camping trip in this lesson. Ask children to suggest things that you might need / see / do on a camping trip. Write their suggestions on the board.
- Ask the children if they have ever been on a camping trip and if so, what they saw and did on their trip.
- Leave the words on the board for the second optional activity in this lesson.

1 Harry and Holly are on the school camping trip. Find things in the picture and draw lines.

- Point to the picture of the camping trip. Ask children to say as many words for things in the picture as they can.
- Ask children to read out the words around the picture and point to the correct items in the picture. Tell the children to draw lines to match the words to the things in the picture.
- Allow the children time to complete the activity in their books, then check answers by pointing to items in the picture and asking the children to say the correct words.

Optional activity

- Slowly write the letters for one of the words in activity 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word.

- You can play this as a game in two teams if you like.

Optional activity

- Tell the children to look at the words in activity 1 and the words on the board.
- Ask the children to say which words on the board are not in the picture in activity 1. Circle the extra words on the board.

Warmer

- Play a game of *Hangman* to warm the class up and revise the words from Lesson 1.
- Divide the class into two teams. Draw a line for each letter in your chosen word on the board.
- Invite children from each team in turn to guess one of the missing letters. If the team correctly guesses a missing letter, write the letter on the correct line(s) on the board. If the team guesses a letter which is not in the word, draw the first part of a simple picture (a flower with five petals, a stem and two leaves / a house with three windows, a door and a chimney).
- If a team guesses the word before you have completed the picture, award them one point. If not, continue the game with another word.

Lead-in

- Divide the class into two teams. Tell the children to look at the picture in Lesson 1 for one minute, then close their books.
- Ask questions to children from each team in turn about what there is in the picture. Use the words from Lesson 1 and other words from previous units. Ask *Is there a ring in the picture? Are there any pockets in the picture?*
- The children try to answer from memory. Encourage them to give short answers (*Yes there is/are. / No, there isn't/ aren't.*) Award one point for each correct answer.

1 Do the speaking activity. TB page 138

- Point to the picture of Mum and Emma and ask children to read out the example exchange.
- Hand out copies of the speaking activity (one copy for each pair of children).
- Remind children that it's half past six in Harry's day. Encourage the children to count the hours and use *ago* to talk about what Harry did.

- Act out a few example exchanges with children around the class, then allow the children time to carry out the activity in pairs. Move around the classroom as the children work and help if necessary.
- Invite some pairs of children to act out the speaking activity in front of the class.

2 Look at the pictures and the letters. Write the words that describe the people or things.

- Point to the picture in item 1 and ask the children to think of an adjective that describes the picture. Prompt the children by saying *Harry isn't alone. Harry and Holly are ... (together).*
- Show the children the jumbled letters next to the picture and ask them to call out the letters in the correct order to spell the word *together*. Show the class the example.
- Move around the class as the children complete the activity. Help if necessary.
- Invite children around the class to read out and spell the word for each item.

ANSWERS

1 together 2 heavy 3 bright 4 alone 5 soft
6 large 7 dark 8 strange 9 frightened 10 horrible

FLYERS TIP: Make sure learners are confident about using a variety of adjectives. This will help them to describe the pictures and tell the story in Part 3 of the Flyers Speaking Test.

3 Write the words from Activity 2 in these sentences.

- Show the children the gapped sentences and explain that they need to use the words from activity 2 to complete the sentences.
- Move around the class as the children complete the activity. Help if necessary.
- Invite children around the class to read out the completed sentences.

Warmer

- Divide the class into two teams. Write *Team A* on one side of the board and *Team B* on the other side of the board.
- Ask children from each team in turn to say a word connected to a camping trip. Write the words they say under the name of their team.

- Ask children around the class to tell you an adjective which could describe a cave / rucksack / star / bird / tree / fire / bat / rabbit / snake, etc.
- You can play this as a game in two teams if you like, awarding one point for each logical answer.

FLYERS TIP: In Parts 4, 5, 6 & 7 of the Flyers Reading & Writing Test, learners will need to think about what tense each gapped sentence is in to help them choose the correct answer. Make sure the children are confident about recognizing tenses in sentences and texts.

- Show the class the gaps in the text and explain that they need to choose the best word from the box to complete each gap.
- Explain that the children will need to read the information around each gap and think about what they have already learnt about Holly and Harry's adventure in order to complete the text.
- Ask a child to read out the words in the box. Ask the children what parts of speech the words in the box are (verbs) and what tense they are in (past simple). Ask children to say which verbs are regular and which are irregular.

- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

- Tell the children to read the sentences. Ask the children to say what tense is used in the sentences (*past continuous*).
- Point to the picture of the grammar character and read out the speech bubble. Explain that we use the past continuous to describe what was happening at a time in the past.
- Tell the children to read the sentences and match them to the pictures.
- Move around the classroom as the children complete the activity and help if necessary.
- Invite children around the class to read out the sentences and say the numbers for the correct pictures.

ANSWERS

- a 1, b 3, c 6, d 2, e 4, f 5

Optional activity

- Tell the children to cover the text in activity 2.
- Invite a child to describe one of the pictures for the rest of the class to guess.

- Play a game to warm the class up and revise the vocabulary learnt so far.
- Write the headings *Food, School subjects, Jobs, Sports and Adjectives* on the board.
- Say words for each heading to children from each team in turn. The children come to the board and write the words under the correct headings. Award one point for each correctly placed and spelt word.

- Invite children around the class to say words from the unit for other children in the class to spell orally.
- You can play this as a game in two teams if you like.

1 Look at the pictures in the first grid. Write the first letter of each word in the second grid to complete the crossword.

- Ask children to look at the pictures in the first grid and say the correct word for each picture. Ask the children to say what letter each word begins with.
- Show the class how the example word has been written in the second grid, then allow the children time to complete the second grid in their books.
- Move around the classroom as the children work and help if necessary.
- Call out numbers from the grid. Invite children to respond with the correct word and then spell it.

- The children can then swap messages with a partner and try to decipher each other's secret messages.
- Invite children to read out their partners' secret message to the class.

Optional activity

- Divide the class into two teams.
- Ask children from each team in turn to choose a word from the unit. The children should say a definition for the word.

Lead-in

- Ask the children to suggest what happened to Holly and Harry when they were in the cave. Ask the children to suggest what Holly and Harry saw in the cave, what they heard, what they did and how they felt.
- Write the children's suggestions on the board.

1 Read Holly's diary. Order the pictures.

- Ask children to look at the pictures and say what they can see.
- Tell the children that the pictures all show events from Holly and Harry's camping adventure. Explain that they need to read Holly's diary entry, look at the pictures and number them in the correct order.
- Allow the children time to complete the activity in their books.
- Ask the children to point to the pictures in the correct order. Encourage them to make sentences about Holly and Harry's adventure, such as *First, Holly and Harry saw lots of paintings on the walls of the cave. Then, everything went dark and they couldn't see. Next, a big storm started. After that, they ate some biscuits and chocolate.*

ANSWERS

Optional activity

- Tell the children to cover the diary text and talk about Holly and Harry's adventure using the pictures to guide them. You can ask the children to talk about one picture each, or you can encourage children to tell as much of the story as they can before another child takes over the narration.

2 Write the missing words.

- Show the class the gaps in the text and explain that they need to choose the best words from the box to complete the gaps. They will need to use all of the words.
- Remind the class to think about what kind of word fits each gap, and to think about the meaning of the sentence.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

Optional activity

- Ask the children to write five questions about Holly's diary entry, e.g. *What did they see on the cave walls? What was walking up Holly's arm? How did Holly hurt her finger?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the diary entry and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

Optional activity

- Ask the children to think about an interesting / exciting / scary thing which happened to them recently and to tell the class about it.
- The children can write a short diary entry about their adventure, using the diary entry in activity 2 as a model.

Reading & Writing, Part 3

Lead-in

- Prompt the children to think about questions, statements and responses by inviting pairs or groups of learners to act out stories from the Student's Book units so far.
- Encourage the children to act without their books and ask other learners to call out prompts if they forget their lines.

FLYERS TIP: In Part 3 of the Flyers Reading & Writing Test, remind the children to read all the options before choosing the most appropriate answer.

Vicky is talking to her friend, Mary. What does Mary say? Read the conversation and choose the best answer. Write a letter (A–H) for each answer. You do not need to use all the letters.

- Tell the children to look at the picture and say who / what they can see, where the people are and what they are doing.
- Explain to the class that Vicky is talking to her friend, Mary and that they need to complete the conversation using options from the box.
- Show the class the example. Tell the class to look at the options in the box and say why *B* is the best answer.
- Tell the children to read the rest of the conversation and choose the best responses.
- Allow the children time to complete the test in their books.
- Check answers by reading out Vicky's lines and asking children around the class to read out the correct responses.

ANSWERS
1 F 2 H 3 D 4 E 5 A

Optional activity

- Write the responses from the box on page 82 on strips of paper and hand them to children around the class.
- Read out Vicky's lines from the conversation, one at a time. The child with the correct response should read out their line.
- Shuffle the lines and hand them out to different children to repeat the activity.

Listening, Part 5

Lead-in

- Revise colours. Tell the children to take out their coloured pencils. Say *Show me (orange)*. The children hold up the correct colours.

FLYERS TIP: In Flyers Listening Part 5, tell learners that they can put a dot of colour on the items to be coloured during the first playing of the recording, then colour the items properly once they have listened for a second time and checked their answers.

Listen and colour and draw and write. There is one example. 🎧 32

- Ask children to look at the picture and say what they can see, where the objects are and what the people in the picture are doing, wearing or holding.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books.
- Tell the children that they should listen, find the correct items in the picture, then colour items, draw an item or write a word.
- Remind learners that it is important in a test for them to be able to listen carefully and to colour the correct part of the object if necessary. For example, in this practice test, they have to colour a bird's wings, not the whole bird. As the colour is not specified here, you can prompt the students to use a colour that they are less familiar with, or let them choose which colour to use – the important thing at this stage is to identify the wing.
- Play the recording twice for the children to complete the test.
- Check the answers as a class. Ask *What colour is the man's plate?*

ANSWERS

- 1 The bowl between the bottle and the spoon is pink.
- 2 The unfinished dinosaur has got a tail.
- 3 The word 'wild' is written above the word 'animals' on the wall.
- 4 The bird in the entrance to the cave has got coloured wings.
- 5 The larger bat on the roof of the cave has got an orange body.

Woman Great!

4 Boy Now can I colour something please?

Woman OK then. What do you want to colour?

Boy Yes, shall I colour that one?

Woman Well, colour its wings.

Boy Right, I'm doing that now!

5 Woman Now just one more thing? Can you see the bats?

Boy Yes – they're on the roof of the cave. They look very strange, don't they?

Woman Yes, they do. Can you see the larger bat?

Boy Oh yes, shall I colour its body?

Woman Yes, that's a good idea.

Boy Shall I colour it orange?

Woman Oh! OK then.

Boy It's an excellent picture now, I think!

Woman Yes it is! Well done!

Optional activity

- Play a memory game. Tell the children to look at the picture in the Listening Test for one minute and try to remember the picture.
- The children close their books. Ask questions about the picture, e.g. *What colour is the larger bat's body? / Where is the pink bowl?* Invite a child to answer from memory.
- Repeat with other children around the class. Alternatively, you could play this as a game in two teams, awarding one point for each correct answer.

William What do you like doing in winter, Emma?

Emma Oh, winter's my favourite time of year because it often snows. And I love snow! We always make a snowman – I like that. We make arms for him from wood and then we put a carrot for his nose! It's funny.

Harry Yes, and I love making snowballs and throwing them at you, Emma.

Emma I don't like that!

Holly What do you like doing in winter, William?

William I really like snowboarding down the hills behind the castle. I catch the bus there and spend all day doing that with my friends.

Harry That's nice William – but it's very difficult. I can't do that. But do you remember last year? We went on a skiing holiday with Mum and Dad. That was the best thing! I was excellent at it!

Holly Well it was OK Harry, but it's dangerous if you fall over ... I mean, William broke his leg, didn't he?

Holly Oh yes and he had to come down the mountain on that ski lift!

William Yes – that wasn't much fun actually!

Holly Sorry William. But do you know the best thing for me about winter?

Harry What?

Holly Well, it's riding on our sledges. I like it when we have competitions to see who can go the fastest!

Harry Oh ... but William's always the winner!

Emma Yes, and I always lose and come last!

Holly Never mind Emma – it's still great fun.

Harry But do you know what's the best thing for me about winter?

Emma and Holly What?

Harry Christmas of course! I'm asking Father Christmas for a new sledge this year!

Emma Oh yes! I love Christmas, and Father Christmas and presents!

Harry Yes and this year I'd really like a new sledge!

3 Can you remember who liked these things? Talk with a friend. Listen again.

Mr Pepper What are you going to do in the holidays?

Harry I'm going to go to Egypt, Mr Pepper.

Mr Pepper I went there many years ago. Perhaps I can give you some advice ...

Harry OK. We're going to put everything in our suitcases tonight so we're ready to go in the morning!

Mr Pepper Oh good. Now are you going to see the pyramids? You know you can go inside the largest pyramid and climb up to the top.

Harry Really? Is it dark in there? Like in a cave?

Mr Pepper Yes, it is!

Harry Yes, I think we might go there, but I'm going to ride on a camel!

Mr Pepper Really? That's great! And you know, there's a very interesting museum. It's in a large city. It's called Cairo. Have you heard of it?

Harry Er ... no Mr Pepper.

Mr Pepper Well you can find out some very interesting facts about the history of Egypt there! You can go on a tour and see lots of different things which are made of gold there too.

Harry Oh right ... and I'm going to go in a little car through the desert. Dad says I can drive it!

Mr Pepper Well that's very nice. But is it safe, I wonder? Oh, and you can go on a trip into the desert to see the stars at night too. The stars are very bright! It's wonderful.

Harry Oh, I'd like to do that!

Mr Pepper Yes, and you can see how some people called Bedouins live in tents there.

Harry Right ... and I'm going to go swimming in the sea.

Mr Pepper Oh well, my advice is to be careful – the sea can be dangerous sometimes, you know.

Harry Don't worry, I'm going to be really careful.

Mr Pepper Oh well, I saw some interesting things in the sea when I was in Egypt. You might see some too. I saw an octopus! What a strange animal! Did you know that an octopus is one of the cleverest animals in the sea?

Harry No, I didn't, Mr Pepper ... but I'm going to go on a boat trip and I might see some dolphins and sharks!

Mr Pepper That sounds exciting. Well, I hope you and your sister have a really great holiday. All the best for the future, Harry.

Harry Thanks, Mr Pepper

Mr Pepper And Harry?

Harry Yes, Mr Pepper?

Mr Pepper You won't go and have another big adventure, will you?

Harry No, I'm not going to have any big adventures, Mr Pepper!

- Ask children around the class to tell you their favourite place to go on holiday. Ask them when they go there, who they go with and what they do there.

Lead-in

- Slowly write the letters for one of the words in Lesson 1 on the board, pausing after each letter. The children try to guess the word before you have written the whole word.
- When a child guesses the word correctly, they should spell the rest of the word for you to complete it on the board, then find the item in the pictures in Lesson 1.
- You can play this as a game in two teams if you like.

1 Listen and read. Then act. ③ 38

- Ask children to look at the pictures in the story. Ask *What's this? Who's this? Where is Holly / Mum / Harry / Dad? What is he / she doing?* about each picture.
- Play the recording for the children to listen and follow the story in their books.
- Play the recording again, pausing after each line for the children to listen and repeat, first chorally, then individually.
- Ask children to find and say words from Lesson 1 in the story.
- Divide the class into groups of four and allow the children time to practise acting out the story.
- Invite groups of children to act out the story for the class.

Optional activity

- Play a memory game. Tell the class to look at the story for one minute and try to remember the lines.
- Tell the class to close their books.
- Divide the class into two teams.
- Ask a child from Team A to say the first line. Ask a child from Team B to say the second line, and so on.
- If a child can't remember the next line, play passes to the other team. Award one point for each correct line.

FLYERS TIP: To prepare for the Flyers Speaking Test, make sure learners are confident about sharing, discussing and comparing ideas.

2 What should you take on these holidays? Write two things. Then talk about it with a friend.

- Tell the class that we use *should* to ask for and give advice. Ask the children to find examples of *should* in the story and say whether each example is asking for or giving advice.
- Tell the children to think about and write two things that they think they should take on each kind of holiday, then compare answers with a partner.
- Invite children to give advice to the rest of the class about what to take on each type of holiday.

3 Do the speaking activity. TB page 140

- Tell the class that we use *might* to talk about possibility. Ask the children to find and read out examples of *might* in the story.
- Point to the picture of Holly, Katy, George and Harry and ask children to read out the example exchange.
- Hand out copies of the speaking activity (one copy for each group of four children).
- Divide the class into groups of four. Tell the children to form two pairs in each group.
- Explain the game to the class. Pair A should put all the pictures face up on the table. Pair B should study the pictures for one minute. Pair B should then look away while Pair A removes twelve of the picture cards. Pair A should then put away four of these twelve cards and keep eight of them. These eight cards are the items which Pair A need to take on holiday.
- The children in Pair B take turns to ask Pair A questions, e.g. *Should I take a fan?* If Pair A is holding the fan, they give the card to child in Pair B who asked the question and say: *Yes, you might need a fan.* If Pair A is not holding the fan, they say: *No, you don't need a fan.*
- The children in Pair B continue to ask questions until they have all eight cards. The child in Pair B with the most cards wins the game. The children can then shuffle the cards, swap roles and play the game again.
- Act out a few example exchanges with children around the class, then allow the children to play the game in their groups. Move around the classroom as the children play the game and help if necessary.

Lead-in

- Play a spelling game with the class.
- Invite children around the class to say words from the unit for other children in the class to spell orally.
- You can play this as a game in two teams if you like.

- Play the first part of the recording for the children to listen and look at the example.
- Play the rest of the recording for the children to listen and draw lines to match the smaller pictures to the boys.
- Ask children around the class to say what has happened to Harry and George.

Holly Mum ... Harry's ill!

Mum Oh dear, no!

Holly Yes, Mum!

Mum What happened?

Holly Well, we had lunch at a really nice restaurant and the waiter brought lots and lots of food – meat and salad and vegetables, and then some very sweet cakes. Harry loved them and he ate ten cakes, Mum!

Mum Ten?

Holly Yes Mum ... and now he says his stomach hurts.

Mum Of course his stomach hurts! So where is he now?

Holly He's lying down in bed, Mum. The doctor has given him some medicine and says he has to go without food for twenty-four hours! He's a bit unhappy about that!

Mum Of course he is!

Holly And you know, George has hurt himself too.

Mum Oh no! What's he done?

Holly Well, we went for a camel ride in the desert. And we were riding on our camels. George had quite a large camel. And he was riding very fast when he fell off.

Mum Oh no – and is he all right now?

Holly Well, the doctor has seen him and the doctor says he's broken his toe!

Mum Oh dear. Can he walk?

Holly Not very well, Mum! He's watching cartoons on the children's channel so he's quite happy!

Mum But we didn't pay all this money and come to Egypt to watch cartoons on the children's channel! His mum won't be very happy about that!

Holly But I've had an excellent holiday in Egypt, Mum!

Mum Yes, Holly ... you have!

2 Write sentences about the children.

- Show the class the jumbled sentences and explain that the children need to write the words in the correct order to make sentences in the present perfect.
- Ask children to say the words from item 1 in the correct order. Write the words on the board as the children say them.
- Show the children the example, then allow them time to write the rest of the sentences in their books.
- Invite children around the class to read out the sentences.

ANSWERS

- 1 The children have ridden on camels.
- 2 Harry has eaten too many cakes.
- 3 The doctor has given Harry some medicine.
- 4 George has hurt himself, too.
- 5 George has broken his toe.
- 6 Holly has had an excellent holiday in Egypt.

Optional activity

- Tell the children to write five questions to ask their partner about what their partner has done today / this week.
- The children can then ask and answer their questions in pairs. Invite some pairs of children to ask and answer questions in front of the class.

- Divide the class into two teams.
- Ask children from each team in turn to choose a word from the unit. The children should say a definition for the word.
- Children from the other team try to guess the word.
- If the children on the other team guess correctly, they win a point. If they don't guess correctly, the first team wins a point.

Lead-in

- Ask the class to think about what they have learnt in this unit.
- Ask children around the class to say what words they have learnt and what happened on Holly and Harry's holiday.

1 Read Holly's diary. Write the nouns in the red boxes and the verbs in the green and purple boxes.

- Ask children to look at the pictures and say what they think Holly's diary entry will be about. (*A day of her holiday in Egypt.*)
- Show the class the coloured boxes in the text and explain that they need to choose words from the correct coloured boxes above the text and write them in the correct spaces. They will need to use all of the words.
- Remind the class to think about what kind of word fits each gap, and to think about the meaning of the sentence around each gap. The coloured boxes will help them to choose which words to use.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

was, were staying, pool, stayed, bus, arrived, stairs, met, head, pulled, was riding, was hurting, was crying, restaurant, had, waiter, brought, cakes, bed, did

Optional activity

- Tell the children to cover the diary text and talk about the adventure. You can ask the children questions to prompt them. Encourage children to tell as much of the story as they can before another child takes over the narration.

Optional activity

- Ask the children to write five questions about Holly's diary entry, e.g. *Where were they staying? What did the mums want to do? Who did Emma stay with? How did they get to the pyramids?*
- Divide the class into two teams. Children from each team in turn ask one of their questions for the other team to answer. The children can look at the diary entry and answer, or try to answer from memory.
- Award one point for each correct answer. The team with the most points wins.

Optional activity

- Ask the children to think about a day from their last holiday and to tell the class about it.
- The children can write a short diary entry about a day on their holiday using the diary entry in activity 2 as a model.

Presenter Listen and look. There is one example. Where did Katy go for her summer holidays?

Man So, Katy, did you enjoy your summer holidays?

Katy Oh yes!

Man Where did you go?

Katy Well, I wanted to go to the desert with my friend, and Mum wanted to visit a big city.

Man So what did you do?

Katy Oh, well we went to the sea.

Man Well, that's really nice!

Katy Yes!

Presenter Can you see the tick? This is an example. Now you listen and tick the box.

- 1 **Presenter** What time did Katy get up to travel to the airport?

Man So, did you get up very early to catch your plane?

Katy Yes, I did. I went to bed late – at about midnight, and Mum and Dad got us up at four o'clock in the morning.

Man Oh – and what time did you get to the airport?

Katy At about seven o'clock.

Man So you had a long journey then?

Katy Yes, very long!

- 2 **Presenter** What did Katy see from the window of the plane?

Man Did you like flying in a plane, Katy?

Katy Yes, I did, very much! I sat next to the window.

Man And what could you see from the window?

Katy Well the pilot said we were flying over mountains so I was looking for those but I couldn't see any – only lots of clouds.

Man Oh, is that all?

Katy Well, I saw some rivers too.

Man That's wonderful!

- 3 **Presenter** Where did Katy stay when she was on holiday?

Man And did you stay in a large hotel when you were on holiday, Katy?

Katy Well, Mum wanted to stay in a hotel but it was really too expensive. So we decided to go camping.

Man You stayed in a tent then?

Katy Yes, but it was very large. And it was a bit strange. It was different from being in a house and it wasn't always dry! But I thought it was exciting.

Man That's great!

- 4 **Presenter** What did Katy enjoy most about her holiday?

Man So what was the best thing about your holiday, Katy?

Katy Well, I liked the food – we went to a really lovely restaurant and ate pizzas and pasta.

Man And did you see any famous places?

Katy Well, we went to a large museum one day but I thought it was a bit boring.

Man Oh really?

Katy Yes it was just a long day and I was hot and tired. But my favourite thing was ... one night there was this storm and I loved the sound of it – it was really noisy! And there was light all over the sky. It was very strange, but it was excellent!

Man You weren't frightened then?

Katy No, I wasn't!

Optional activity

- Ask the children questions about the pictures in the Listening Test. For example: *Did Katy go to the desert? Did Katy get up at seven o'clock? What did Katy see from the aeroplane? Did Katy stay in a hotel? What was the best thing about Katy's holiday?* Invite children around the class to look at their books and answer.
- You could play this as a game in two teams, awarding one point for each correct answer.

Reading & Writing, Part 7

Lead-in

- Point to the picture and the text. Ask children around the class to say what they can see in the picture, what kind of text they think this is (*a postcard*) and where they think the postcard is from (*Egypt*).

FLYERS TIP In Part 7 of the Flyers Reading and Writing Test, remind the children to think about what tense is being used in each sentence of the text.

Read the postcard and write the missing words.

Write one word on each line.

- Ask the children to look at the text. Explain that they are going to read a postcard from Katy, but that some words are missing. Remind the children to read the whole text before they start trying to write the missing words. Make sure that the children understand that some of the information which they will need to complete a gap may be on the previous line or the next line of the text.
- Ask the children to read the example sentence and think about why *am* is the best answer.
- Ask the children to read the rest of the text and think of the best word to complete each gap.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

ANSWERS

1 was 2 were 3 Do 4 ago 5 are

Optional activity

- Ask the children to write a postcard to their friend from a holiday destination. Tell them to think about where they are, where they are staying, what the weather is like and what they are doing on their holiday.
- The children can write their postcards on pieces of paper and illustrate them, then you can display their work around the classroom.

- Play a game to warm the class up and revise the language from Unit 11.
- Divide the class into two teams. Ask questions about Holly and Harry's holiday to children from each team in turn, e.g. *Where did Holly and Harry go? What did they take with them? Where did they stay? What happened to George? Why was Harry ill?*
- Award one point for each correct answer. If a child can't answer their question, you can pass the turn to the other team for a bonus point.

Lead-in

- Tell the children that they are going to think about the past and the future in this unit.
- Write the words *Past* and *Future* on the board.
- Ask the children what grammatical words they can think of for talking about the past and the future.
- Write the children's suggestions under the correct headings.
- Ask children around the class to make sentences using the words on the board.

1 Draw lines to match the things to the places.

- Point to the picture of George and Harry and ask a child to read out the speech bubble.
- Show the children the words in the bubbles and explain that these are words connected to geography.
- Tell the children to draw lines to match the places to the things. Tell the children that some words might match more than one place. In that case, the children should draw two lines.
- Do the first item as a class, then allow the children time to complete the activity in their books.

- Check answers by asking children around the class to say the places and matching words.

ANSWERS

- 1 space – rocket, stars, planets, sun
- 2 sky – stars, clouds, rainbow, sun
- 3 beach – sand, shell
- 4 city – buildings, lights
- 5 mountains – waterfall
- 6 forest – trees
- 7 desert – sand, sun
- 8 jungle – trees, waterfall

Optional activity

- Divide the class into two teams.
- Ask a child from Team A to say one of the words (not places) in activity 1. A child from Team B should respond with the correct place.
- Repeat with children from each team in turn and award one point for each correct place (there may be more than one answer, but any logical answer is fine).

2 Number the sentences to find out what some people believe.

- Show the class the picture and ask the children what it shows (*dinosaurs*).
- Ask a child to read out the title. Ask the children what they think *extinct* means (*(a species of animal which) is not alive anymore*).
- Tell the children that the sentences make up an explanation, or theory, about why dinosaurs became extinct, but the sentences are in the wrong order. The children need to read the sentences and number them in the correct order to find out how the dinosaurs became extinct.
- Allow the children time to complete the activity in their books, then check answers by encouraging children around the class to read out the sentences in the correct order.

ANSWERS

- Play the first part of the recording for the children to listen and look at the example.
- Play the rest of the recording for the children to complete the information in their books.
- Check answers by asking questions to children around the class. For example *How many moons has Saturn got? When did the first rocket go around Saturn?*

ANSWERS

Saturn: 18, 1st July 2004, Cassini, bright, ice

Mercury: no moons, 18th March 2011, below, -184 °C, about 400 °C

Transcript 41

Teacher Space is a really exciting place. It's full of other planets which also travel round our sun. Our world only has one moon but did you know that but many planets have more than one moon and some planets have no moons at all? And the temperatures are different on each planet too. Today we're going to learn about some different planets. Let's think about Saturn. Saturn has eighteen moons – that's more than any other planet! A rocket first went all the way round this planet on 1st July 2004. This rocket was called Cassini – that's spelt C-A-S-S-I-N-I. Saturn is an unusual planet because it has rings round it which are unusually bright. Saturn's rings are made mostly of water and ice but they also have a few rocks in them.

Now, let's look at the planet called Mercury. It's very interesting that Mercury doesn't have any moons, and did you know that the first rocket went round Mercury on the 18th March 2011. That isn't very long ago, really. Once, people believed that there was no water on Mercury but new information shows us that there could be ice in the north part of this planet.

Now, the temperature on Mercury is below zero – yes it's minus 184 degrees in the dark part of the planet – that's very cold. But when the sun warms the planet it gets very hot: about 400 degrees centigrade!

Now, could you please write down the important information in your books then find out about two other planets from another student in the class.

- Ask the children to look at the picture. Ask *What can you see? Where is he/she? What does he/she look like? What's he/she doing? What's he/she wearing?* Elicit answers from children around the class.
- Focus attention on the example. Play the first part of the recording while the children look at the example in their books. Tell the children that they should draw lines to match the names to the people, as in the example.
- Play the recording twice for the children to complete the test.
- Check the answers as a class.

Optional activity

- Play a memory game. Tell the children to look at the picture in the Listening Test for one minute and think about what they can see and what the people are doing in the picture.
- The children close their books. Say true or false sentences about the picture. For example *Lily is holding an umbrella.* / *Charlie is eating a sandwich.* Invite children to answer *Yes* or *No* from memory.
- You could play this as a game in two teams, awarding one point for each correct answer.

Reading & Writing, Part 5

Lead-in

- Point to the picture and the title. Ask children around the class to say what they think they will read about in the text.
- Ask children around the class if they can remember their first day at a new school. Ask them to say how they felt and what happened on their first day at their new school.

FLYERS TIP: In Part 5 of the Flyers Reading & Writing Test, remind learners to read the whole text before they start trying to complete the sentences.

Look at the picture and read the story. Write some words to complete the sentences about the story.

You can use 1, 2, 3 or 4 words.

- Ask the children to look at the picture. Explain that they are going to read a text about Harry and George's first day at their new school. Remind the children that the picture is there to support the text, but they will not find the answers in the picture. They will need to read the text carefully to find the answers.
- Ask the children to read the example sentences and say how many words have been completed in each example. Tell the children that they can use up to four words, but no more.
- Ask the children to read the text and complete the sentences. Allow them time to complete the test in their books.
- Ask the children to compare their answers with a partner and make any necessary changes.
- Check the answers as a class.

ANSWERS

1 (a bit) worried 2 long way 3 was waiting
4 at the front 5 a tour of 6 pizza 7 scored (two)

- The children can swap notebooks with a partner, look at the text again and answer their partners' questions.

Revision 3

Revision 3

SB pages 108–110

Aims

To revise vocabulary, grammar and tests skills from *Hello!* unit to Unit 12

Flyers practice

The Revision sections prepare learners for all parts of the Flyers Tests

Equipment

44

Warmer

- Play a game of *Hangman* to warm the class up and revise the words from *Hello!* unit to Unit 12 (see page 19).

Lead-in

- Write the headings *Camping, Adjectives, Seasons, Holidays, The past* and *The future* on the board. Ask the class to say what words they can remember for each heading. Write their suggestions on the board.
- Point to a word on the board and a child to make a sentence with that word.
- Repeat with other words and other children.
- You can play this as a game in two teams if you like.

FLYERS TIP: After completing this book, learners will be familiar with all the types of task in the Flyers Test. In order to give them confidence in competing the test papers in the time allowed, it is a good idea to give them at least one complete practice test before the day they take a Flyers Test. The Practice Tests on the MultiRom are designed for this.

1 Look at this Egyptian picture alphabet. Now look at the puzzle and write the words.

- Ask children to look at the pictures in the key and what letter each picture represents.
- Show the class the example word (1 Down) in the grid. Ask the children to say the correct letter for each picture (G-L-O-V-E-S). Show the class how the example word has been written on the line below the key.
- Move around the classroom as the children complete the activity and help if necessary.
- Invite children around the class to say and spell the words.

ANSWERS

Across:

2 lift 4 newspaper 9 rucksack 11 torch
12 money

Down:

1 gloves 3 heavy 5 stars 6 pocket 7 river
8 cave 10 camel

Optional activity

- Tell the children to make a secret message for their partner. The children should use the key in activity 1.
- The children can then swap messages with a partner and try to decipher each other's secret messages.
- Invite children to read out their partners' secret message to the class.

2 Draw lines and make sentences.

- Focus attention on the first halves of the sentences. Ask children around the class to say what they do in each situation.
- Tell the children to read the sentence halves and join them by drawing lines.
- Ask children around the class to read out the completed sentences.

ANSWERS

- I have a picnic in the park with my friends.

- I ride down the hills on my sledge.
- I take an umbrella with me.
- I go skating with my friend there.

3 Look at these pictures. They tell a story but they are not in the correct order. With your friend, number the pictures and tell the story.

- Point to the pictures and ask the children to say who or what they can see, what the people are doing and how they think the people feel in each picture.
- Tell the children to talk in pairs and decide what order the pictures should go in to tell the story.
- Invite children around the class to tell their version of the story.

4 Now listen and check. Was your story different? Talk to your friend about all the things that were different in your story. 44

- Tell the children that they are going to hear the story. Tell them to listen and think about the differences between their story and the story on the recording.
- Play the recording for the children to listen and make notes about the differences.
- Tell the children to talk in pairs about how their story was different to the story on the recording. Invite children to report back to the class.

Transcript 44

Man So ... did you have a good holiday Richard?

Boy Not really, no!

Man Oh, what do you mean?

Boy I went on a skiing holiday in the mountains with my family – that's Mum and Dad, and my little sister, Lily. The first day, everything was great and it was really sunny when we all went up to the top of the mountain in the ski lift.

Man Well, that sounds wonderful!

Boy Yes, well, I'm very good at skiing, but Lily isn't. Anyway, I was skiing down the mountain. But then suddenly Mum shouted 'Stop Jack! Lily has fallen over in the snow!' I was a bit unhappy because I was going very fast and it was exciting, but I stopped and went back to where Lily and my parents were. Lily was sitting in the snow. She couldn't get up and she was crying a lot, which isn't unusual! But Mum and Dad were very worried!

Man So, what happened next?

Boy Well I saw our skiing teacher – he had his phone with him and he telephoned someone.

Man Who did he phone?

Boy Well I don't really know, but the next thing that happened was we saw this big red helicopter in the sky over the mountain. Anyway, the helicopter came down and they put Lily inside on a kind of bed. And then I flew in the helicopter with my parents and Lily. That was excellent! I was really excited about that. I could see the tops of the trees and the people looked so little!

Man But what about your sister?

Boy Oh yes ... well, they took us all to a hospital in a town not too far away.

Man And was Lily OK?

Boy Yes ... the nurses and doctors were very kind. But she's got a broken leg and she can't walk on it for eight weeks!

Man Oh no!

Boy But she's OK. She just can't play volleyball in her school team so she's a bit unhappy about that. Mum says we're never going to go skiing again!

Man Well, I can understand that!

Boy But I love skiing!

Man Never mind ... there are lots of other sports you can do.

Boy Yes, I know ... but skiing's my favourite!

5 Write the missing words.

- Tell the children that the text is about The Great Ice Age. Ask the class if they know what an ice age is. (*A time in history when our planet was very cold and the earth was covered in ice and snow.*)
- Show the class the gaps in the text and explain that they need to choose the best word from the box to complete each gap.
- Explain that the children should read the information around each gap to help them find the correct words.
- Remind the class to think about what kind of word fits each gap, and to think about the meaning of the sentence and what tense the sentence is in.
- Allow the children time to complete the activity in their books. Move around the classroom as the children work and help if necessary.
- Invite children around the class to read out sentences from the completed text.

ANSWERS

1 been 2 was 3 happened 4 rain 5 fell 6 living

Optional activity

- Tell the children to write three questions about the Ice Age, e.g. *When was the last ice age? What animals lived before the ice age? What did mammoths look like?*
- Divide the class into two teams. Children from each team in turn ask one of their questions to the other team.
- The children in the other team can look at the text in activity 5 to answer, or try to answer from memory.
- Award one point for each correct answer.

6 Draw lines to match the questions and answers. Then act.

- Tell the children to ask and answer their questions in pairs.
- Invite pairs of children to ask and answer questions in front of the class.

Optional activity

1 Look at the pictures and the example. Now you tell the story with a friend.

Head teacher Good morning. Could I speak to Mrs Brown, please?

Mrs Brown Speaking.

Head teacher Oh, now Mrs Brown, I don't mean to worry you but it's about Holly and Harry.

Mrs Brown What about Holly and Harry?

Head teacher Well, I'm afraid there was a bit of a problem on the camping trip.

Mrs Brown Really? What's happened?

Head teacher Now, there's nothing for you to worry about but Holly and Harry were missing on Sunday night. The teachers and the children were very worried about them.

Mrs Brown What do you mean, missing?

Head teacher Well, they decided to have an adventure. That's what Harry said anyway. They went to visit a cave not too far from where we were camping.

Mrs Brown How far?

Head teacher Er ... two kilometres.

Mrs Brown Two kilometres?

Head teacher Er, yes, that's right.

Mrs Brown And when did you find them?

Head teacher Early this morning, but they're fine, don't worry.

Mrs Brown So they spent all night outside in the dark ... alone?

Head teacher Well yes, but they found a nice dry cave and they were sleeping there quite happily when we found them.

Mrs Brown They were sleeping in a cave? All night? My children?

Head teacher Er ... yes. But they are all right you know. They're warm and ...

Mrs Brown So where are they now?

Head teacher Well, they're at the hospital in town.

Mrs Brown At the hospital?

Head teacher Yes ... but the doctors are looking after them. Harry's broken his toe.

Mrs Brown He's done what?

Head teacher Er ... he's broken his toe I'm afraid ... he fell over and there was a rock, you see and ...

Mrs Brown And what about Holly?

Head teacher Well, she's hurt her finger.

Mrs Brown And how did she hurt her finger?

Head teacher They made a fire to keep warm in the night and she burned it a little.

Mrs Brown Oh dear! I'm coming right now.

Head teacher Er ... Mrs Brown. Do you know where the hospital is?

Mrs Brown Of course I do.

Head teacher Well, the visiting hours are between six o'clock and half past eight, so you can see the children this evening.

Mrs Brown Never mind that! They're my children. I'm coming to see them now!

Head teacher Well I'm sure that will be all right. Er ... when you get to the hospital, go to the desk and ask for the Swan room. That's where they are. You need to talk to the nurse there, Nurse White that's her name. There are other children with them. They're having a good time so please don't worry.

Mrs Brown Have they eaten anything?

Head teacher Sorry?

Mrs Brown Have the children eaten anything?

Head teacher Oh yes ... they had pizza and chips for lunch. But Mrs Brown ... I don't know why Holly and Harry thought it was all right to leave their teachers but I hope it won't happen again.

Mrs Brown Don't worry Mr Pepper. It won't ever happen again! Holly and Harry are staying at home in future! No more school trips for them!

Head teacher Oh now Mrs Brown ... please don't be too ...

Class activities to prepare for the *Flyers* Speaking Test

The speaking activities in the book will all help to prepare children for the *Flyers* Speaking Test, but here are a few additional ideas that you might like to use.

Practice for Part 1

- Give the children plenty of practice at identifying things in pictures. Look at pictures together as a class and ask individual children to point to particular things in the pictures. You can also take opportunities to do this while children are working individually in their books. Ask a child *Where's the ...?* and let him/her point to the appropriate object in the book.
- Ask the children questions about specific things in the pictures, e.g. *What's this? How many people can you see? What's the boy doing/wearing? What's next to the car?* Encourage the children to use the present continuous to describe what people or animals are doing. Make sure each child is given regular opportunities to answer questions.

Practice for Part 2

- Give the children the opportunity to practise describing objects, people and situations. Ask them to think of an item, and encourage them to write questions and answers about it, e.g. for an object: *What is it? It's a ball. What colour is it? It's blue. Where is it? It's in my garden. Whose is it? It's my sister's.*
- Let the children work in pairs to ask and answer questions about each other's items.
- As the children get better at this, you can ask them to describe more complex situations, such as holidays and days out. For example, *Where did you go? To the circus. What did you see? acrobats; Who did you go with? My cousin.* Give the children plenty of practice in forming these questions.

Practice for Part 3

- Make a set of basic pictures which tell a story. Cut these up and give them to small groups of children.
- Tell the story, using known vocabulary, and ask the children to put the picture in order.
- Children can repeat this activity in pairs, making picture stories about their family or friends, or what they have done recently. They cut these up and pass them to a partner to order while they tell the story.
- Remind the children to try to use the present continuous for things happening in the story.

Practice for Part 4

- Ensure that children have lots of practice of answering questions relating to their own lives. At the beginning of the term, write lots of 'personal questions' on pieces of card and put them in a box. Some questions should begin with a question word. Make sure you only include question words that the children have already covered in their lessons so far. (*Flyers* question words: *how, how many, how old, what, where, which, who, whose.*)
- Other questions can be 'yes/no' questions, e.g. *Have you got a ...? Do you like ...? Can you ...?* Again, make sure you only include structures that children are already familiar with.
- At the beginning or end of each lesson, take a question from the box and read it out. Choose several children at random to answer the question, repeating the question each time. Encourage children to listen carefully to the question word at the beginning of each question.
- Make sure all children are given the opportunity to answer a question over the course of several lessons.
- You can also give students the chance to talk together in English at the beginning and end of lessons. Encourage fluency at these times, and don't correct too many mistakes. Ask them to talk about topics such as their family, their home, their last holiday, and weekend activities.

What you need:

Fold a piece of white card in half and with a pencil draw two wings of the butterfly. Cut round your butterfly wings and open the card.

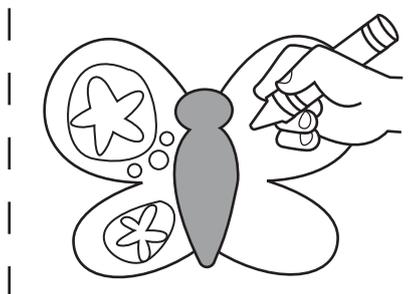

Fold a piece of black or brown card and draw the head and body of your butterfly.

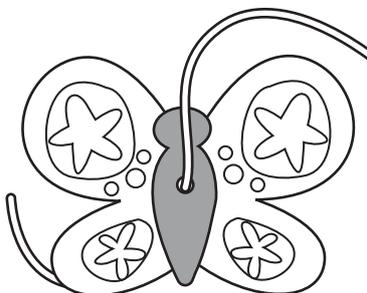

Cut round the head and body. You should now have two heads and bodies.

Glue one body on each side of the butterfly wings. Make one more butterfly in this way.

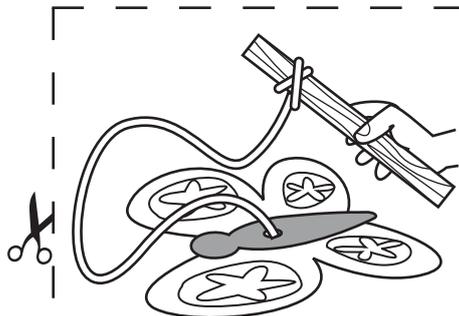

Colour the front and back of your butterflies. You can glue things onto your butterflies to make them really pretty!

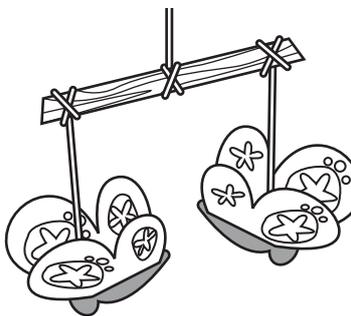

Make holes in the body of your butterflies.

Tie pieces of wool through the holes in your butterflies.

Take a piece of wood and tie the other end of the wool round the stick. Tie one butterfly at each end of the piece of wood.

When we were at the airport, I looked for my money in my pocket, but it wasn't there. I couldn't believe it! The driver stole all my money! I was crying when we arrived at the information desk but Mum said 'Don't worry, we'll give you some money for the holiday.' I felt a bit better then.

A woman in uniform told us to hurry or we'd miss the plane. We left our suitcases in the big hall and ran to the plane. All the passengers were looking at us when we got on, and we couldn't sit together. I sat by a very unfriendly man. He said I couldn't sit next to the window and I really wanted to do that.

After five hours on the plane we arrived. The doors opened and I felt too hot when I climbed down the stairs from the plane. But I was excited! I was in Egypt!

1 Why was Harry crying?

2 What was the problem on the plane?

3 How did Harry feel when he arrived in Egypt?

4 Do you think this is the start, the middle or the end of the story?

Child B

Mum and Dad decided it was a good idea to go on holiday with Mr and Mrs White and their children George and Sarah. I was happy about that because their son George is my best friend.

We got up in the middle of the night! We left the house, then Dad went back into the house to fetch Emma's doll! Then Mum went back into the house so she could turn off the lights in William's bedroom. Then I went back into the house again, to get my money. We were a bit late when we arrived at George's house! I think George's mum and dad were unhappy about that.

We followed them to the airport in our car, but they weren't going the right way so we all had to turn round. Mum was worried because the traffic on the roads was quite bad.

1 How many times did people go back to the house?

2 What did they fetch from the house?

3 Where did they go when they left the house?

4 Do you think this is the start, the middle or the end of the story?

Child C

Suddenly we heard a loud noise. We stopped the car and Dad got out. Dad said there was a problem with one of the car's wheels. Mr White and Dad tried to change the wheel, but they couldn't do it. We were very late! Mum was worried and she was saying 'We're going to miss the plane!' Dad was saying, 'We'll be fine!' but you could see he was worried too.

We left the car in a little street. Dad ran up and down the street, then he found a man in a taxi. We put all our suitcases in the taxi and we got a lift to the airport. I sat next to the taxi driver. He wasn't very friendly. George's dad followed our taxi and the taxi driver drove really fast to get to airport quickly! As we left the taxi, I felt the driver take something out of my pocket.

1 What was the problem with the car? _____

2 Who took Harry and his family to the airport? _____

3 Who followed them to the airport? _____

4 Do you think this is the start, the middle or the end of the story? _____
